CHAIRMAN'S STATEMENT

The global entertainment and media industry continued its steady ascent over the past year. According to PwC's Global Entertainment & Media Outlook, the industry grew to reach US\$3.5 trillion in revenues and is expected to grow by a further 4.6% in 2026, on its way to surpassing US\$4.2 trillion by the turn of the decade. Much of this growth continues to be powered by the accelerating integration of Artificial Intelligence into every corner of our industry – from AI-enabled advertising, which is projected to cross US\$1.4 trillion in spend by 2030, to the use of AI in content creation, virtual production and audience personalisation. At the same time, and perhaps counter-intuitively in an increasingly digital world, live and in-person experiences – concerts, sporting events, trade shows and exhibitions – have emerged as one of the fastest growing segments globally, a welcome reminder that audiences continue to crave shared, communal experiences even as they consume more content on screens of every size.

Closer to home, the Indian Media and Entertainment sector has had a year to be genuinely proud of. According to the FICCI-EY report released earlier this year, the sector grew by approximately 9% in 2025, comfortably outpacing nominal GDP growth and marking a decisive return to form after two years of more muted performance. Digital media crossed the INR 1 trillion mark for the first time, cementing its position as the largest segment within our industry, while digital advertising grew by 26% and live events surged by an extraordinary 44%. The sector is now projected to reach INR 3.3 trillion by 2028, with digital media, live events, filmed entertainment and animation and VFX expected to be the primary engines of that growth.

For Indian cinema in particular, the past year was genuinely landmark. Domestic box office collections crossed Rs. 13,395 crore in gross terms an all-time high with Hindi cinema recording its best-ever performance and 37 films crossing the Rs. 100 crore mark. This growth was driven by a welcome revival of content-led, original storytelling, a healthy 'long tail' of films beyond the big tentpoles, and a decisive industry-wide shift back towards theatrical-first releases. Yet I must be candid about the underlying challenge: much of this growth has been price-led, with average ticket prices rising by approximately 20% even as overall admissions declined. Footfall recovery, rather than pricing alone, therefore remains our industry's central long-term task and one that we at Mukta A2 Cinemas remain sharply focused on addressing through content quality, disciplined portfolio management and continued investment in the food and beverage and in-cinema experience that today's audiences expect.

Against this backdrop, I am pleased to report that Mukta Arts Limited delivered a year of clear, broad-based and genuinely encouraging operational improvement in FY 2025-26. On a consolidated basis, Revenue from Operations grew while Consolidated EBITDA rose sharply with EBITDA margin expanding meaningfully to 15%. I want to stress that this margin expansion reflects genuine, structural operating leverage across our businesses rather than any one-off gain. As a result, our consolidated net loss narrowed by nearly a third marking what I believe is a decisive step on our journey towards sustained profitability. Importantly, this improvement was broad-based: each of our three key operating entities – WWI, MA2 and our Bahrain multiplex business – posted a stronger EBITDA performance than in the previous year, as I outline below.

Whistling Woods International, our media education subsidiary and the institution closest to my own heart, delivered another year of consistent, across-the-board growth. Revenue from operations grew, supported by continuing fee contributions from our expanding student base, a new batch of 440 students who joined us in July, 2026, and growing video production income from our KEM project. More pleasing still, EBITDA grew with margins expanding – clear evidence that WWI's growth is translating efficiently into profitability rather than simply adding to the top line. We continued to invest deliberately in the quality of the institution, including meaningful academic partnerships with institutions in India and abroad, continued development in areas of technology and AI and bringing on new faculty to expand our teaching potential. As competition in creative education continues to intensify across India, I remain convinced that this continued investment in quality is precisely what will keep WWI ahead of the field.

Mukta A2 Cinemas was a strong performer this year. Reported revenue from operations grew by 18%, while reported EBITDA more than doubled. This was not simply a function of pricing: footfalls grew from just over Rs. 3.095 million to Rs. 3.181 million admits, the average ticket price improved from Rs. 194 to Rs. 213.60, and spend per head on food and beverage rose from Rs. 60 to Rs. 79 – together reflecting a genuinely stronger content slate and materially improved in-cinema monetisation. During the year we also took the disciplined decision to exit a small number of underperforming properties, sharpening our portfolio's focus on its profitable core. I view this as a clear positive inflection point for the business, and management remains firmly focused on sustaining this momentum in the year ahead.

Our Bahrain operation delivered an encouraging profitability turnaround despite a genuinely difficult external backdrop of subdued content availability and regional disruption through the year. While revenue declined, decisive cost action more than offset this topline pressure. As a result, EBITDA was positive, and our PBT loss narrowed. This is a genuine testament to the resilience and flexibility of the Bahrain team and positions us well to capture the upside as regional conditions normalise and as we continue to expand our management-contract screens in Saudi Arabia.

At the standalone level, Mukta Arts Limited's revenue from operations saw a decline that is entirely attributable to the non-recurrence of the prior year's 'Janaki' television serial income, and therefore a base effect rather than any softening in our underlying business. We maintained tight cost discipline throughout the year, holding Total Expenses down and preserving a robust standalone EBITDA. Our smaller programming business, Mukta V N Films, also had a strong year, with revenue from operations up 32%, supported by the exhibition sector's recovery and an expanding roster of serviced cinema screens. The Production business though has been busy developing new projects across the gambit of platforms – films, OTT, animation – though our new venture SGM Studios and Live Entertainment. We are bullish about the prospects for production of content in the coming years and more announcements will follow shortly on all these fronts.

On the long-standing land matter before the Bombay High Court, I am pleased to note that final hearings on the Review Petitions are expected shortly, and the Company remains confident of a favourable outcome. This has been a matter of patience for many years, and its resolution, whenever it comes, will be a significant moment for the Company.

As I wrote to you last year, Artificial Intelligence continues to be the defining conversation of our industry, and this past year has only deepened my conviction that it should be treated as a powerful tool for creative expression rather than a replacement for it. At Whistling Woods, we continue to integrate AI and other emerging technologies thoughtfully into our curriculum, ensuring that our students graduate not merely comfortable with these tools but equipped to use them in service of genuinely human storytelling. The debate over how this technology is used – and by whom it is governed – will only grow more important in the year ahead, and it is one that both Mukta and Whistling Woods will continue to engage with deeply and responsibly.

Looking ahead, I believe FY 2025-26 marks a clear and genuine positive inflection point in the Group's consolidated performance. Our priorities for the coming year are clear: to sustain MA2's operating momentum through continued content quality and footfall growth; to build further on WWI's expanding revenue and margin trajectory; to consolidate the turnaround we have achieved in Bahrain as regional conditions continue to stabilise; and to progress our standalone Company's new initiatives in animation, film production, OTT and live entertainment. Together with the anticipated resolution of our long-standing land matter, I remain genuinely confident in the Group's trajectory towards sustainable, profitable growth. The Indian Media and Entertainment industry stands at an inflection point of its own, and I am convinced that the opportunities before us – in content, in technology, and in the sheer scale of the audience we serve – remain vast for those willing to look beyond the short-term noise.

None of this would be possible without the continued hard work of our employees, the creativity of our faculty and students, and above all the patience and confidence of our shareholders. I thank you all for your continued support, and I look forward to sharing more good news with you in the year ahead.

With warm regards,

Subhash Ghai
Chairman

MANAGEMENT DISCUSSION AND ANALYSIS

Industry Overview: Film Production & Exhibition in India

The last year was a landmark year for Indian cinema. The domestic box office crossed Rs. 133,950 million in gross collections — an all-time high and the first year ever to cross the Rs. 130,000 million mark with Hindi cinema posting its best ever performance and 37 films crossing the Rs. 1,000 million mark, up from 22 in the prior year. Growth was led by content-driven, original storytelling, a healthy revival of the theatrical “long tail” beyond big-ticket tentpoles, and a decisive industry wide shift back towards theatrical-first releases, even as global studios and streaming platforms deepened co-production partnerships with Indian filmmakers. At the same time, industry data shows this growth was substantially price-led — average ticket prices rose approximately 20% even as overall admissions declined, underscoring that footfall recovery, rather than pricing alone, remains the industry’s central long-term challenge.

Film Production — Opportunities

- Renewed appetite for original, content-led storytelling and growing global studio co-production and financing interest in Indian films, widening access to capital and elevating production standards.
- Expanding regional-language success (Gujarati, Kannada and other markets) broadening the addressable audience base beyond traditional Hindi and South Indian tentpoles.
- New monetisation avenues in animation, live entertainment and stage adaptations, and emerging production efficiencies from virtual production and AI-assisted workflows.

Film Production — Challenges

- OTT platforms have grown more selective and cost-disciplined in acquisitions, with digital licensing revenues declining industry-wide, tightening a key monetisation channel for mid-budget content.
- Shrinking theatrical-to-streaming windows have altered audience viewing behaviour, with a large share of viewers now delaying theatrical visits in anticipation of near-term streaming availability.

Film Exhibition — Opportunities

- Continued multiplex screen expansion in under-penetrated states (Uttar Pradesh, Haryana, Kerala, Maharashtra), alongside rising F&B spend per head and growing advertising and non-box-office revenue streams.
- Industry-wide moves to enforce longer exclusive theatrical windows, and the proven pull of value pricing initiatives and re-releases, both offering credible tools to rebuild footfall.

Film Exhibition — Challenges

- National admissions declined even as box office revenue hit a record high, with several southern markets and single-screen properties seeing sharp footfall and screen count declines — a reminder that exhibition growth has been driven more by ticket pricing than volume.
- India’s screen density remains structurally low relative to global peers, and near-term revenue continues to depend heavily on a concentrated slate of tentpole releases.

For the Group, this environment reinforces the rationale behind MA2’s continued focus on content quality, disciplined portfolio management and F&B-led monetisation, and behind the Company’s diversification into animation, OTT and live entertainment as complementary, less cyclical revenue streams.

Consolidated Performance Highlights

The Group delivered a year of clear and broad-based operational improvement in FY 2025-26. Consolidated Revenue from Operations grew to Rs. 1,739.1 million from Rs. 1,667.2 million, while Consolidated EBITDA rose sharply to Rs. 264.4 million from Rs. 174.2 million — a 52% increase — with EBITDA margin expanding from 10% to 15%. This margin expansion reflects genuine operating leverage across the Group’s businesses rather than one-off gains. The consolidated net loss narrowed by 32% from Rs. 173.109 million to Rs. 118.003 million, marking a decisive step towards profitability.

This improvement was broad-based, with three of the Group's key operating entities — WWI, MA2 and the Bahrain multiplex business — each posting a stronger EBITDA performance than the previous year, as detailed below.

MAL Standalone

Standalone revenue from operations for the year was Rs. 148.2 million, against Rs. 203.2 million in the prior year — a decline entirely attributable to the non-recurrence of the prior year's "Janaki" TV serial income, a base effect rather than a decline in the underlying business. Importantly, Other Income grew 15% to Rs. 165.1 million, driven principally by higher interest income on inter-corporate deposits, cushioning the topline impact and lifting Total Revenue to Rs. 313.3 million.

Management maintained tight cost discipline through the year: Total Expenses were held down 7% to Rs. 160.8 million, and as a result the Company preserved a robust EBITDA margin of 49% (FY25: 50%) — a testament to the efficiency of the standalone cost base even in a year without a new content release. PAT stood at Rs. 55.9 million at an 18% margin, a modest and well-explained softening from the prior year's 21%.

Finance costs fell 6% on the back of loan repayment during the year, reflecting continued deleveraging of the standalone balance sheet.

Whistling Woods International Limited ("WWI")

WWI, the Group's media education subsidiary, delivered consistent growth across every key metric. Revenue from operations grew 7% to Rs. 584.2 million, aided by the fourth-year revenue contribution from the 2022 admission batch, a new batch of 368 students joining in July 2025, and video production income from the KEM project. EBITDA grew a stronger 29%, from Rs. 50.6 million to Rs.65.2 million, expanding EBITDA margin from 9% to 11% — evidence that WWI's revenue growth is translating efficiently into profitability.

The increase in employee benefit costs (14%) reflects deliberate investment in institutional quality — a 6.5% annual increment cycle and the conversion of consulting faculty to staff roles — while higher other expenses reflect WWI's expanding brand visibility, including its YouTube facility and hosting the IC3 conference at BKC. With margins expanding alongside revenue, WWI continues to strengthen its position as a long-term growth engine for the Group.

Mukta A2 Cinemas Private Limited ("MA2")

MA2 was the standout performer of the year, posting a strong operational turnaround. Reported revenue from operations grew 18%, adding Rs. 132.4 million to the top line, while reported EBITDA more than doubled to Rs. 147.7 million from Rs. 65.0 million — a 127% increase. This was driven by genuinely healthy operating metrics: footfalls (Admits) grew from 30,95,095 to 31,81,487, Average Ticket Price improved from Rs. 194 to Rs. 213.60, and Spend Per Head on Food & Beverage rose from Rs. 60 to Rs. 79 — together reflecting a stronger content slate and materially improved in-cinema monetisation.

Because MA2's cost base is largely fixed, this revenue growth flowed through to the bottom line at a disproportionately favourable rate: while total expenses grew only 6% (IND-AS 116 adjusted), revenue grew 16% on the same basis, driving the EBITDA margin (IND-AS 116 adjusted) from -2% to a positive 7%. The reported net loss narrowed by 41%, from Rs. 160.9 million to Rs. 94.1 million, and PBT losses narrowed 58%. Management views this as a clear positive inflection point and remains focused on sustaining this momentum through continued content quality, footfall growth and F&B margin gains.

A modest number of underperforming properties were exited during the year — a disciplined, deliberate step (reflected in exceptional items of Rs. 28.4 million for asset write-offs on closed properties) that has directly supported the sharp EBITDA improvement above and sharpens the portfolio's focus on its profitable core going forward.

Mukta A2 Multiplex WLL, Bahrain

The Bahrain operation delivered an encouraging profitability turnaround despite a challenging external backdrop of subdued content availability and regional disruption through the year. While revenue declined 27% to Rs. 152.8 million, decisive cost action — including a 36% reduction in direct operating expenses and a 49% reduction in other expenses — more than offset the topline pressure. As a result, EBITDA swung from a loss of Rs. 0.3 million to a positive Rs. 10.1 million, and the PBT loss narrowed by 49%, from Rs. 18.5 million to Rs. 9.4 million. This demonstrates the resilience and cost flexibility of the Bahrain operation, positioning it well to capture upside as regional conditions normalise and the business continues to expand its management-contract screens in Saudi Arabia.

MUKTA ARTS LIMITED

Mukta V N Films Limited

Mukta VN's core programming business continued to grow, with revenue from operations up 32% to Rs. 20.8 million as the exhibition sector's recovery and an expanding roster of serviced cinema screens supported the business. EBITDA and PBT for the year reflect a high base in the prior year, when other income included a one-time write-back of Rs. 7.9 million; excluding this base effect, the underlying programming business remained on a steady growth trajectory during the year.

Legal Matters

With respect to the Review Petitions filed against the Bombay High Court's order dated 9th February 2012 concerning the land matter, final hearings are expected shortly, and the Company remains confident of a favourable outcome.

Outlook

FY 2025-26 marks a clear positive inflection in the Group's consolidated performance, with EBITDA up 52%, margins expanding across MA2, WWI and Bahrain, and the consolidated net loss narrowing by nearly a third. Management's priorities for the coming year are to sustain MA2's operating momentum through continued content quality and footfall growth, to build on WWI's expanding revenue and margin trajectory, to consolidate the Bahrain turnaround as regional conditions stabilise, and to progress the standalone Company's new animation, film and OTT and live entertainment initiatives. Together with the expected resolution of the long-standing land matter, the Board remains confident in the Group's trajectory towards sustainable, profitable growth.

- 8) In terms of Regulation 40(1) of SEBI Listing Regulations, requests for effecting transfer/transmission/transposition of securities shall not be processed unless the securities are held in dematerialized form. Transfers of equity shares in electronic form are effected through depositories. Members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company's Registrar and Transfer Agent ("RTA"), MUFG Intime India Private Limited (Formerly known as Link Intime India Private Limited) at rnt.helpdesk@in.mpms.mufg.com.
- 9) Members are requested to intimate changes, if any, about their name, postal address, e-mail address, telephone/mobile numbers, PAN, power of attorney registration, Bank Mandate details, etc. to their Depository Participant ("DP") in case the shares are held in electronic form and to the RTA in case the shares are held in physical form, in prescribed Form No. ISR-1, quoting their folio number and enclosing the self-attested supporting documents. Further, Members may note that SEBI has mandated the submission of PAN by every participant in the securities market.

- 10) As per the provisions of Section 72 of the Act, the facility for making a nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nominations are requested to register the same by submitting Form No. SH-13. If a Member desires to cancel the earlier nomination and record a fresh nomination, he may submit the same in Form No. SH-14. Members who are not desiring to register for Nomination or would want to opt-out, are requested to fill out and submit Form No. ISR-3. The said forms can be downloaded from the RTA's website at www.in.mpms.mufg.com. Members are requested to submit the said form to their DP's in case the shares are held in electronic form and to the RTA in case the shares are held in physical form, quoting their folio no.
- 11) Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company/RTA, the details of such folios together with the share certificates and self-attested copies of the PAN of the holders for consolidating their holdings in one folio. A consolidated share certificate will be issued to such Members after making the requisite changes. The consolidation will be processed in demat form.
- 12) Members desiring inspection of statutory registers and other relevant documents may send their request in writing to the Company at investorrelations@muktaarts.com.
- 13) To support the 'Green Initiative', Members who have not yet registered their email address are requested to register the same with their DP's in case the shares are held by them in electronic form and with the Company/RTA in case the shares are held by them in physical form.
- 14) In terms of SEBI circular dated 9th December, 2020, on e-voting facility provided by Listed Companies, Individual Members holding securities in Demat mode are allowed to vote through their Demat account maintained with Depositories and DP's. Members are required to update their mobile number and email ID correctly in their Demat account to access the e-voting facility.
- 15) According to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 and Regulation 44 of SEBI Listing Regulations and MCA Circulars, the Company is providing the facility of remote e-voting to its Members in respect of the businesses to be transacted at the AGM. The Company has engaged the services of NSDL for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a Member using remote e-voting system as well as e-voting during the AGM will be provided by NSDL.
- 16) Members of the Company holding shares either in physical form or in electronic form as of the cut-off date i.e. Tuesday, 15th September, 2026, may cast their vote by remote e-voting. The remote e-voting period commences on Friday, 18th September, 2026 at 9.00 a.m. (IST) and ends on Monday, 21st September, 2026 at 5.00 p.m. (IST). The remote e-voting module shall be disabled by NSDL for voting thereafter. Once the vote on a resolution is cast by the Member, the Member shall not be allowed to change it subsequently. The voting rights of the Members shall be in proportion to their share of the paid-up equity share capital of the Company as of the cut-off date. Subject to receipt of the requisite number of votes, the resolution passed by remote e-voting are deemed to have been passed as if they have been passed at the AGM.
- 17) Members will be provided with the facility for voting through an electronic voting system during the proceedings at the AGM and Members participating at the AGM, who have not cast their vote by remote e-voting, will be eligible to exercise their right to vote during such proceedings of the AGM. Members who have cast their vote by remote e-voting prior to the AGM will also be eligible to participate at the AGM but shall not be entitled to cast their vote again on such resolutions for which the Members has already cast the vote through remote e-voting.
- 18) In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote during the AGM.

EXPLANATORY STATEMENT

[Pursuant to Section 102 of the Companies Act, 2013]

The following Statement sets out all material facts relating to the business mentioned under Item No. 3 of the accompanying Notice:

ITEM NO.3

Mukta A2 Cinemas Private Limited ("Mukta A2"), a material subsidiary of the Company, proposes to identify new business expansion opportunities with a view to achieve sustained growth. In this regard, Mukta A2 has informed the Company that it proposed to increase its paid up share capital and is seeking approval of the Company, for dilution of its shareholding in Mukta A2, a material unlisted subsidiary of the Company, on account of investments to be made by Mr. Sunil Shamrao Patil either by himself or through his affiliates ("**Investor**") by way of issuance of securities for an amount aggregating to Rs. 100 million for the shareholding of Mukta A2 between 30% to 40%. Consequently, the shareholding of the Company in Mukta A2 will decrease / reduce below 50% and Mukta A2 ceases to be the subsidiary of the Company.

It is proposed that the Investor will inject approx. Rs. 61.2 million by way of subscription towards equity shares and Rs. 38.8 million by way of Compulsorily Convertible Debentures as may be agreed between the proposed investor and the existing shareholders.

Upon completion, the investment in Mukta A2, where the Company presently holds 70% of shareholding will reduce between 49% to 42% (i.e. post conversion of Compulsorily Convertible Debentures) of shareholding and Mukta A2 will transit from being a subsidiary to an associate of the Company.

In terms of Regulation 24(5) of SEBI Listing Regulations, a Listed Company shall not dispose of shares in its material subsidiary resulting in reduction of its shareholding (either on its own or together with other subsidiaries) to less than or equal to fifty percent or cease the exercise of control over the subsidiary without passing a special resolution.

In terms of Regulation 24(6) of SEBI Listing Regulations, selling, disposing and leasing of assets amounting to more than 20% of the assets of the material subsidiary on an aggregate basis during a financial year shall require prior approval of the Members by way of a Special Resolution.

Further, Section 180(1)(a) of the Companies Act, 2013 inter alia provides that the Board of Directors of a Company shall not sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking of the Company or where the Company owns more than one undertaking, of the whole or substantially the whole of any of such undertakings without the consent of the Company by way of a Special Resolution.

Therefore, as per the aforesaid provisions, it would be necessary to obtain the approval of the Members of the Company by way of Special Resolution. The Board recommends the Resolution as set out in Item No. 3 of the Notice for the approval of the Members as a Special Resolution.

Mr. Subhash Ghai, Mr. Parvez Farooqui and Mr. Rajendra Doshi Directors and Members of the Company are also Directors in Mukta A2 and are deemed to be interested or concerned in the Resolution including their relatives to the extent of their shareholding in the Company.

Save and except above, none of the other Directors and Key Managerial Personnels of the Company and their respective relatives are concerned or interested, financially or otherwise in the resolution set out at Item No. 3 of this Notice.

6. Mukta A2 Multiplex WLL, Bahrain
7. Mukta V N Films Limited
8. Whistling Woods International Education Foundation (Wholly Owned Subsidiary of Whistling Woods International Limited)

BUSINESS OVERVIEW

Your Company's standalone financials show reduced revenue and profit due to small income from Company's Marathi Film "Tu, Me ani Amaira" apart from income from old film library. No new film/serial was released this financial year. Your Company has taken initiative to start producing animated contents initially based on Company's existing Film Library's IPR. Your Company has tied up with one of India's foremost animation studios, Green Gold Company for first animated project.

Your Company is also entering into Live Entertainment and Stage Plays and have tied up with M/s Eva Live to look after the entire production and management of the stage play. Your Company has also created team of experienced as well as young persons to take the production activities further.

Whistling Woods International Limited ("WWI") a subsidiary of your Company has achieved growth in revenue as well as EBIDTA for this year. WWI which is recognised as India's premier Media, Entertainment, Communication and Creative Arts Institute, has had a highly active year. WWI's roadmap of innovation has seen the inclusion of multiple technological workflows of Virtual Production, and its associated elements like Photogrammetry, Motion Capture & Camera Tracking into our curriculum.

The Review Petitions filed against Bombay High Court's order dated 9th February, 2012 in the Land matter are expected to come up for final hearing soon and Your Company is hopeful of a positive result for same.

Academically, WWI has tied up with IIM (Indian Institute of Management) for two years MBA program in Media and Entertainment. WWI also significantly expanded its global Academic Partnerships roster with several universities signed up with in UK, Europe and Australia. WWI is also working on expanding its education activities in coming future.

Further, WWI has also commenced development of curriculum and teaching methodologies in the innovative area of Generative AI and how / where Gen AI will play a role in the filmmaking workflows for the future.

Academically, WWI has renewed its association with the Tata Institute of Social Sciences for awarding of Degrees for all its programs and continues down the path of mainstreaming Media & Entertainment Education. WWI has also significantly expanded its global Academic Partnerships roster with several universities signed up with in US, Australia, Europe, UK and South Korea. Some of these associations have also seen activity on ground with international cohorts of students visiting WWI and WWI students travelling to these universities.

Mukta A2 Cinemas Private Limited (“MA2”) has shown substantial improvement in its operations and revenues showing 16% growth. The EBIDTA (IND AS based) has increased from Rs. 61.2 million in previous year to Rs. 147.7 million in current year. MA2 had 73 screens in 26 locations as on 1st April, 2025. MA2 had ceased its operation at 9 screens across 4 locations, due to continued losses incurred by these properties. Even its JV with Asian Cinemas namely Asian Mukta A2 Cinemas LLP is also working on closing the loss-making properties and keep only profit making ones which will give boost to the profits of the LLP. MA2 has also moved to a management model for certain properties located in Telangana, Andhra and Gujarat. However, the Investor who signed Share Holding Agreement (SHA) and Share Subscription Agreement (SSA) with MA2 failed to honour its commitment to invest in the Equity Shares as well as Redeemable Preference Shares and hence MA2 terminated the SHA.

The Company has total of 50 operational properties widespread over the cities of Mumbai, Kalyan, Ahmedabad, Baroda, Sangli, Bhopal, Banswara, Vizag, Bhilai, Chittorgarh, Samastipur, Behror and Bettiah.

Mukta A2 Multiplex WLL, Bahrain has however decreased revenue due to non availability of good content due to war situation in Middle East region. Apart from operating the existing 6 screens in Juffair, Bahrain, it is also handling management of screens in Saudi Arabia and expect that more screens will be added to this management business. The Company has also successfully reduced its operating costs in Bahrain.

Another subsidiary of the Company, **Connect.1 Limited** monetises content on digital platforms.

Mukta Telemedia Limited is a subsidiary of the Company which handles production of TV-serials, management of event shows and entertainment software.

Mukta Creative Ventures Limited is a subsidiary providing mobile based solutions with a focus on content, applications and commerce.

The programming business of **Mukta V N Films Limited** is now performing steadily. As the exhibition sector returns to pre-covid levels of business, its health also continues to improve. The number of Cinema screens that the Company services has grown during the year.

During the year, the Board of Directors reviewed the affairs of its Subsidiary companies. Further, pursuant to provisions of Section 129(3) of the Act, a statement containing salient features of the financial statements of the Subsidiary and Associate Companies in Form AOC-1 is attached as **Annexure - I** to this Report.

CORPORATE GOVERNANCE REPORT

COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

Mukta Arts Limited views Corporate Governance as a fundamental tool for maximizing value across all stakeholder groups, including investors, employees, members, customers, suppliers, the environment and the community at large. Our commitment to good governance is ingrained in the organizational culture and mindset. We draw inspiration from robust governance and disclosure practices established within our group.

Integrity and transparency form the cornerstone of our corporate governance framework, essential for cultivating and maintaining trust among our stakeholders consistently. We strictly adhere to all relevant provisions of the SEBI Listing Regulations. Corporate Governance stands as a crucial pillar in fostering an efficient and sustainable business environment. Our company upholds the highest standards of governance practices, emphasizing integrity, transparency and accountability.

Our Corporate Governance Philosophy is reinforced by the implementation of comprehensive policies, including the Code of Conduct for Board Members and Senior Management, robust Board processes, and a Code of Conduct to Prevent Insider Trading in Mukta Arts Securities.

Furthermore, adherence to SEBI Listing Regulations empowers our Board to make impartial decisions, ensuring objectivity and transparency in all aspects of management and corporate dealings. The Governance Guidelines, encompassing Board composition, roles of the Chairman and Directors, Board diversity, independence criteria, Director's tenure and retirement age and Board committees, are meticulously followed. These guidelines empower the Board with the necessary authority and structured processes to effectively review and assess our operations as needed.

A Report on compliance with the Corporate Governance provisions as prescribed under the SEBI Listing Regulations is given below.

BOARD OF DIRECTORS

A. Duties and functions of the Board

The primary duty of the Board is to promote both short-term and long-term success for the Company by ensuring sustainable business practices, that enhance value for its stakeholders. In pursuit of this goal, the Board establishes the Company's corporate culture, upholds rigorous ethical standards in corporate conduct and maintains transparency in all business dealings.

Furthermore, the Board is charged with supervising the Company's operations and providing guidance to the management team, which is responsible for daily business activities. This oversight includes offering strategic direction, monitoring operational performance and ensuring the implementation of robust policies and procedures. The Board also oversees risk management efforts, integrity in financial reporting, adequacy of internal controls, compliance with applicable laws and fulfills its corporate social responsibility obligations.

Specifically, the Board, based on the recommendations of its Audit Committee, reviews and approves quarterly/half-yearly unaudited financial results as well as audited annual financial statements, both on a standalone and consolidated basis. It sets corporate strategies, approves business plans and annual budgets, establishes corporate objectives, monitors their execution and oversees significant capital expenditures. The Board assesses overall operational performance.

Moreover, the Board directs and guides management activities towards achieving established goals, ensures accountability and conducts Board Meetings in accordance with SEBI Listing Regulations and SS-1 requirements. Each agenda item for these meetings is substantiated by relevant information, documents and presentations to facilitate informed decision-making. The Board ensures all recommendations from its committees are endorsed and maintains independence from management influence to uphold its fiduciary duties effectively.

B. Managing Director

The Managing Director oversees day-to-day operations and ensuring the implementation of its strategic goals. Responsibilities includes monitoring the competitive landscape, staying abreast of industry developments and standards, identifying expansion opportunities and enhancing Members value. The MD also plays a crucial role in articulating and implementing the organization's vision, mission and overall direction. Acting under the guidance of the Board, bridge the gap between the Board and the management team, ensuring policies are adhered to and decisions

are effectively executed through Board Committees. Through diligent leadership and strategic foresight, the MD guides the Company towards excellence while upholding its core values, principles and collaborate closely with the Board to devise and execute business strategies aligned with the Company's overarching goals.

Performance Evaluation

One of the Key functions of the Board is to monitor and review the board evaluation framework. The Board works with the Nomination and Remuneration Committee to lay down the evaluation criteria for the performance of executive/ non-executive/ independent directors through a peer-evaluation excluding the director being evaluated through a survey. The questionnaire of the survey is a key part of the process of reviewing the functioning and effectiveness of the Board and for identifying possible path for improvements.

To improve the effectiveness of the Board and its committees, as well as that of each individual director, a formal and rigorous Board review is internally undertaken on an annual basis.

Further, the evaluation process was based on the affirmation received from the independent directors that they met the independence criteria as required under the Act and SEBI Listing Regulations.

Separate Meeting of Independent Directors

In compliance with Regulation 25(3) of SEBI Listing Regulations and Schedule IV of the Act, a separate meeting of Independent Directors was convened on 31st March, 2026 for the financial year 2025-26. The meeting was held without the presence of Non-Independent Directors and Members of the management. The objective of the meeting was to review the performance of Non-Independent Directors and the Board as a whole, assess the performance of the Chairman of the Company and evaluate the quality, quantity and timeliness of the flow of information between the Company's management and the Board.

The Independent Directors discussed matters pertaining to the Company's affairs and presented their collective views to the Board of Directors.

Familiarisation Programme for Directors

The familiarisation programme for Independent Directors aims to familiarize them with the Company, nature of the industry, business model of the Company and also their roles, rights, responsibilities in the Company.

Independent Directors are sensitized on their roles, responsibilities and liabilities at the time of their appointment, through a formal letter of appointment, which also stipulates various terms and conditions of their appointment.

At the respective Board meeting, the Company on an ongoing basis presents an update on Company's operations, financials, business performance, regulatory changes including updates on company law and listing regulations and other related matters to keep the Independent Directors abreast of the significant developments in the Company and its corporate environment.

We, the undersigned, certify that:

- A. We have reviewed the financial statements and the cash flow statements for the financial year ended 31st March, 2026 and that to the best of our knowledge and belief:
 - 1. These statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading.
 - 2. These statements together present a true and fair view of the Company's affairs and are in compliance with existing accounting standards, applicable laws and regulations.
 - 3. These statements do not contain any false or misleading statement or figures and do not omit any material fact which make the statements or figures contained therein misleading.
- B. This is to the best of our knowledge and belief, no transactions entered into by the Company during the financial year which are fraudulent, illegal or violate Company's code of conduct.
- C. We accept the responsibility for establishing and maintaining internal controls for financial reporting and that we have evaluated the effectiveness of internal control systems of the Company, pertaining to financial reporting and have disclosed to the Auditors and the Audit Committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps we have taken or propose to take to rectify those deficiencies.
- D. We have indicated to the Auditors and the Audit committee that:
 - 1. There has not been any significant change in internal control over financial reporting during the year under regulation;
 - 2. There has not been any significant change in accounting policies during the year requiring disclosure in the notes to the financial statements; and
 - 3. We are not aware of any instance during the year, of significant fraud with involvement therein of the management or any employee having a significant role in the Company's internal control system over financial reporting.

Annexure-III

**CERTIFICATE ON COMPLIANCE WITH THE CORPORATE GOVERNANCE
REQUIREMENTS UNDER SEBI (LISTING OBLIGATIONS AND DISCLOSURE
REQUIREMENTS) REGULATIONS, 2015**

To,
The Members of
Mukta Arts Limited
Mukta House, Behind Whistling Woods Institute,
Filmcity Complex, Goregaon (E), Mumbai – 400065.

We have examined all relevant records of **Mukta Arts Limited (the Company)** for the purpose of certifying compliance of the disclosure requirements and Corporate Governance norms as specified for the Listed Companies and prescribed in Regulations 17 to 27, Clauses (b) to (i) of sub-regulation (2) of Regulation 46 and Para C, D and E of Schedule V of Chapter IV of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('**LODR**'), for the Financial Year ended March 31, 2026. We have obtained all the information and explanations to the best of our knowledge and belief, which were necessary for the purpose of this certification.

In this regard, we would like to state that subsequent to the resignation of Ms. Paulomi Romi Dhawan (DIN: 01574580) from the Board of the material unlisted subsidiary with effect from 06th February, 2025, the Company appointed Mr. Rajendra Kapilrai Doshi (DIN: 07499476) as an Additional Non-Executive Independent Director on 12th August, 2025, resulting in non-compliance with Regulation 24(1) of LODR for the intervening period.

We state that the compliance of conditions of Corporate Governance is the responsibility of the management, and our examination was limited to procedures and implementation thereof adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the Financial Statements of the Company.

In our opinion, and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as specified for listed Company.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Form No. MR-3 SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2026

*[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]*

To,

The Members,

Mukta Arts Limited

**Mukta House, Behind Whistling Woods Institute,
Filmcity Complex, Goregaon (E), Mumbai – 400065.**

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Mukta Arts Limited** (hereinafter called “the Company”), incorporated on **7th September, 1982** having **CIN: L92110MH1982PLC028180** and Registered office at **Mukta House, Behind Whistling Woods Institute, Film city Complex, Goregaon (East), Mumbai - 400065**. Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conduct/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the company has, during the audit period covering the financial year ended on **31st March, 2026 (the audit period)** complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company, for the Financial Year ended on **31st March, 2026**, according to the following provisions of (including any statutory modifications, amendments or re-enactment thereof for the time being in force):

1. The Companies Act, 2013 ('the Act') and the rules made thereunder;
2. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
3. The Depositories Act, 1996 and the Regulations and the Bye-Laws framed thereunder;
4. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings - **Not Applicable to the Company during the audit period under review in respect of Foreign Direct Investment and External Commercial Borrowings;**
5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'), as amended from time to time:
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c. The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 - **Not Applicable to the Company during the audit period under review;**
 - d. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
 - e. The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018 - **Not Applicable to the Company during the audit period under review;**
 - f. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 - **Not Applicable to the Company during the audit period under review;**
 - g. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 - **Not Applicable to the Company during the audit period under review;**
 - h. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 2025 regarding the Companies Act and dealing with client - **Not Applicable to the Company during the audit period under review;**

- i. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 - **Not Applicable to the Company during the audit period under review; and**

Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021 - **Not Applicable to the Company during the audit period under review.**

We have relied on the representation made by the Company and its officers, employees, agents, and authorized representatives for the Board-processes and compliance-mechanism formed by the Company for the Compliances under the applicable acts, laws, rules, regulations and guidelines to the Company.

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India

During the audit period under review, the Company has complied with the provisions of the Acts, Laws, Rules, Regulations, Guidelines and Standards mentioned above to the extent applicable, except our comments and observations as stated below:

- In one instance, the Company delayed intimating the Stock Exchanges within the prescribed timelines under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, regarding the communication received from BSE Limited conveying the rejection of the Company's request for waiver of the Standard Operating Procedure (SOP) fine levied for non-compliance with the provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015;
- Pursuant to Regulation 24(1) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, at least one Independent Director of the listed entity is required to be on the Board of Directors of its material unlisted subsidiary. Consequent to the resignation of Ms. Paulomi Romi Dhawan (DIN: 01574580) from the Board of the material unlisted subsidiary with effect from 6th February 2025, the said requirement remained unfulfilled during the period from 7th February 2025 to 11th August 2025. Subsequently, Mr. Rajendra Kapilrai Doshi (DIN: 07499476) was appointed as an Additional Non-Executive Independent Director on 12th August 2025, thereby restoring compliance with Regulation 24(1) of the SEBI (LODR) Regulations, 2015. Accordingly, the Company was not in compliance with the provisions of Regulation 24(1) of the SEBI (LODR) Regulations, 2015 for the intervening period from 7th February 2025 to 11th August 2025.
- As at March 31, 2026, the company's investment in its subsidiary (including deemed investment), Whistling woods International Limited (WWIL) a joint venture between the company and Maharashtra Film, Stage and Cultural Development Corporation Limited (MFSCDCL), aggregates to Rs. 19,95,11,218/- and loans and advances, deposits, interest receivable and rent receivable aggregate to Rs. 64,13,83,146/- recoverable from WWIL. As fully explained in Note 42 to the accompanying audited financial statements, the Order of February 9, 2012 passed by the High Court of judicature at Bombay ('High Court'), had quashed the joint Venture Agreement ('JVA') between the company and Maharashtra Film Stage Cultural Development Corporation ('MFSCDCL'). Maharashtra Film Stage and Cultural Development Corporation ('MFSCDC') raised net demand of Rs. 59,19,66,210/- and asked WWIL to vacate the premises. WWIL's petition for special leave to appeal filed with the Supreme Court of India had also been dismissed. The Company and WWIL had filed application to review the said order with the High Court and an Interim stay was granted on July 30, 2014 which required deposit of Rs.10,00,38,000/- by January 2015 against payment of arrears of rent for the year 2000-01 to 2013-14 and payment of Rs.45,00,000/- per annum from Financial Year 2014-15 till the settlement of the case, to MFSCDCL.

As per the terms of the said Order, till financial year 2016-17, Rs. 11,35,38,000/- has been paid by the Company and for financial year 2017-18 to 2021-22 Rs. 45,00,000/- per annum has been paid by WWIL. The State Govt. of Maharashtra and MFSCDCL challenged the order of the High Court in the Supreme Court which was dismissed by the Supreme Court on September 22, 2014. The amount so paid / being paid by the— Company have been accounted under Non - Current Other Financial Assets in the Standalone Financial Statements to be adjusted on the settlement of the case. Management of WWIL informs that these will be accounted as an expense, if required, on the settlement of the case.

Additionally, without giving effect to the matter as stated above, WWIL's net worth stands fully eroded as at March 31, 2026. Management of WWIL believes that it is appropriate to prepare the financial statements on a going concern basis based on its assessment of the merits of the case, plans for the future and support provided by its holding company.

- The Company had voluntarily applied for delisting from the Calcutta Stock Exchange Limited (CSE) w.e.f. 31st March, 2014. However, on not receiving any official confirmation of being delisted, the company paid the listing fees for the financial year 2014-2015 and requested for delisting w.e.f. 31st March, 2015. On account of non-receipt of any response from Calcutta Stock Exchange, the Company has not paid listing fees to the said stock exchange and

MUKTA ARTS LIMITED

stopped filing any statement, returns and forms from the financial year 2015-16. However, the Company has not yet received any confirmation from CSE for delisting. Further, the trading in script of the Company remains suspended by CSE. The Company had filed with SEBI a written complaint in this regard and the matter of delisting still remains pending.

We further report that, during the audit period under review:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Director and Independent Directors. There were following changes in the Composition of the Board of Directors and Key Managerial Personnel:

- i. Ms. Madhumati Ramchandra Lele (DIN: 09306316) was appointed as an Additional Non-Executive Independent Director, with effect from 28th May, 2025 and subsequently her appointment was regularized for period of 5 consecutive years commencing from 28th May, 2025 till 27th May, 2030, as a Non-Executive, Independent Director by the Members by way of postal ballot dated 21st August, 2025;
- ii. Mr. Rajendra Kapilrai Doshi (DIN: 07499476) was appointed as an Additional Non-Executive-Independent Director w.e.f. 12th August, 2025, and subsequently his appointment was regularized for period of 5 consecutive years commencing from 12th August, 2025 till 11th August, 2030, as a Non-Executive, Independent Director by the Members at the Annual General Meeting held on 24th September, 2025;
- iii. Appointment of Ms. Pratiksha Panchal as the Company Secretary of the Company commencing from 3rd June, 2025;
- iv. Cessation of Mrs. Paulomi Romi Dhawan (DIN: 01574580) upon Completion of tenure of 2nd term as Independent Director w.e.f. 27th September, 2025;
- v. Mr. Rahul Puri (DIN: 01925045) Executive cum Managing Director of the Company was liable to retire by rotation at the Annual General Meeting held on 24th September, 2025 and being eligible, offered himself for re-appointment in terms of Section 152 of the Companies Act, 2013;

Adequate notice is given to all Directors to schedule the Board Meetings and to respective Committee Members for Committee Meetings. Agenda and detailed notes on agenda were sent as per the provisions of the Companies Act, 2013 and the rules made thereunder, and adequate system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting including meeting through the video conference.

All decisions made at the Board Meetings and Committee Meetings have unanimous consent of the Directors / Members, as recorded in the minutes of the meetings of the Board of Directors and Committees of the Board, as the case may be.

There are adequate systems and processes in the company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, acts, rules, regulations, standards and guidelines.

The Company has following specific events / actions having a major bearing on the Company's affairs in pursuance of the above referred laws, acts, rules, regulations, guidelines, standards, etc:

- a) The Members of the Company through Postal Ballot approved the appointment of Ms. Madhumati Ramchandra Lele (DIN: 09306316) as an independent Director of the Company on 21st August 2025.

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Mukta A2 Cinemas Private Limited
(Formerly known as Mukta A2 Cinemas Limited)
Mukta House, Behind Whistling Woods Institute, Filmcity Complex,
Goregaon (East), Mumbai – 400065.

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Mukta A2 Cinemas Private Limited (Formerly known as Mukta A2 Cinemas Limited)** (hereinafter called “the Company”), incorporated on **16th November, 2016** having **CIN: U74999MH2016PTC287694** and Registered office at **Mukta House, Behind Whistling Woods Institute, Filmcity Complex, Goregaon (East), Mumbai – 400065**. Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conduct/ statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information and explanation provided by the Company, its officers, employees, agents and authorized representatives during the conduct of the secretarial audit. We hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on **31st March, 2026 (the audit period)** complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on **31st March, 2026**, as made available to us, according to the following provisions of (including any statutory modifications, amendments or re-enactment thereof for the time being in force):

- (vi) The Companies Act, 2013 (the Act) and the Rules made thereunder;

- The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 - ***Not Applicable to the Company during the audit period;***
- The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021 - ***Not Applicable to the Company during the audit period;***

We have relied on the representation made by the Company, its officers, employees, agents and authorized representatives for the Board-processes and compliance-mechanism formed by the Company for the Compliances under the other laws, acts, rules, regulations and guidelines, as may be applicable to the Company.

We have also examined compliance with the applicable clauses of:

- (ii) Secretarial Standards issued by the Institute of Company Secretaries of India;

During the audit period under review, the Company has complied with the provisions of the laws, acts, rules, regulations, guidelines and standards mentioned above.

We further report that, during the audit period:

- a. The Board of Directors of the Company have proper balance of Executive, Non-Executive and Independent Directors. The following changes took place in the Composition of the Board of Directors:
 - Mr. Rajendra Kapilrai Doshi (DIN: 07499476) was appointed as an Additional Non-Executive, Independent Director by the Board of Directors on 12th August, 2025. Subsequently, the Members of the Company approved his appointment as a Non-Executive, Independent Director for a first term of five consecutive years at the Annual General Meeting held on 23rd September 2025. ***However, the interval between the resignation of the previous Independent Director and the appointment of the aforesaid Independent Director exceeded three months.***
 - Mr. Parvez Akhtar Farooqui was re-appointed as a Whole Time Director, liable to retire by rotation, by the Members of the Company at an Annual General Meeting held on 23rd September, 2025;
- b. Adequate notice, along with agenda, is given to all Directors to schedule the Board Meetings. Detailed notes on agenda were sent as per the provisions of the Companies Act, 2013 and the rules made thereunder, and adequate system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. None of the Directors attended any of the Board Meetings via Video Conferencing and / or other audio video means;
- c. All the decisions are carried through the unanimous consent by the Board of Directors at the Board Meetings and recorded as part of the minutes;

- d. There are adequate Board-processes and compliance-mechanism in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, acts, rules, regulations, guidelines and standards;
- e. Since the Company is a Deemed Public Company (Subsidiary of a Public Company), the equity shares in the Company are held in the name of nominees by the Holding Company so as to ensure that number of members of the Company is not reduced below the statutory limit; and
- f. The Company has no specific events/actions having a major bearing on the Company's affairs in pursuance of the above referred laws, acts, rules, regulations, guidelines, standards, etc.

Independent Auditor's Report on Standalone Financial Results

To

The Members of Mukta Arts Limited

Report on audit of the Standalone Financial Statements

Qualified Opinion

We have audited the accompanying Standalone financial statements of **Mukta Arts Limited** ("the Company"), which comprise the Standalone Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as 'the standalone financial statements').

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matters described in the Basis of Qualified Opinion paragraph below, the aforesaid Standalone financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its **profit** (including other comprehensive income), the changes in equity and its cash flows for the year ended on that date.

Basis of Qualified Opinion

As at March 31, 2026, the company's investment in its subsidiary (including deemed investment), Whistling woods International Limited (WWIL) a joint venture between the company and Maharashtra Film, Stage and Cultural Development Corporation Limited (MFSCDCL), aggregates to Rs. 19,95,11,218/- and loans and advances, deposits, interest receivable and rent receivable aggregate to Rs. 64,13,83,146/- recoverable from WWIL.

As fully explained in Note 42 to the accompanying audited financial statements, the Order of February 9, 2012 passed by the High Court of judicature at Bombay ('High Court'), had quashed the joint Venture Agreement ('JVA') between the company and Maharashtra Film Stage Cultural Development Corporation ('MFSCDCL'). Maharashtra Film Stage and Cultural Development Corporation ('MFSCDC') raised net demand of Rs. 59,19,66,210/- and asked WWIL to vacate the premises. WWIL's petition for special leave to appeal filed with the Supreme Court of India had also been dismissed. The Company and WWIL had filed application to review the said order with the High Court and an Interim stay was granted on July 30, 2014 which required deposit of Rs.10,00,38,000/- by January 2015 against payment of arrears of rent for the year 2000-01 to 2013-14 and payment of Rs.45,00,000/- per annum from Financial Year 2014-15 till the settlement of the case, to MFSCDCL. As per the terms of the said Order, till financial year 2016-17, Rs. 11,35,38,000/- has been paid by the Company and for financial year 2017-18 to 2021-22 Rs. 45,00,000/- per annum has been paid by WWIL. The State Govt. of Maharashtra and MFSCDCL challenged the order of the High Court in the Supreme Court which was dismissed by the Supreme Court on September 22, 2014. The amount so paid / being paid by the Company have been accounted under Non - Current Other Financial Assets in the Standalone Financial Statements to be adjusted on the settlement of the case. Management of WWIL informs that these will be accounted as an expense, if required, on the settlement of the case.

Additionally, without giving effect to the matter as stated above, WWIL's net worth stands fully eroded as at March 31, 2026. Management of WWIL believes that it is appropriate to prepare the financial statements on a going concern basis based on its assessment of the merits of the case, plans for the future and support provided by its holding company.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

MUKTA ARTS LIMITED

Independent Auditors' Report (Continued)

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report for the year ended 31 March 2026.

Information other than the Financial Statements and Auditors' Report thereon

The Company's Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexure(s) to Board's Report, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Standalone Financial Statements

The Company's Management and the Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

This statement includes the result for the quarter ended 31st March, 2026, being the balancing figures between the audited figures in respect of the full financial year ended 31st March, 2026 and the published unaudited year-to-date figures up to the third quarter, i.e., 31st December 2025.

MUKTA ARTS LIMITED

Report on Other Legal and Regulatory Requirements

MUKTA ARTS LIMITED

Annexure A referred to in Report on Other Legal and Regulatory Requirements Paragraph of Independent Auditor's report of even date to the members of Mukta Arts Limited on the accounts for the year ended March 31, 2026

To the best of our information and according to the information and explanation given to us during the course of our audit, we report that:

- (i)
 - a) The company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant & Equipment.
 - b) The company has concluded physical verification of Plant and Equipment during the year.
 - c) According to the information and explanation given to us and on the basis of our examination of the records of the company, the title deeds of immovable properties included in property, plant and equipment are held in the name of the company.
 - d) The company has not revalued its Property, Plant, and Equipment during the year. Therefore, the provisions of Clause (i)(d) of paragraph 3 of the order are not applicable to the company.
 - e) No proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder. Therefore, the provisions of Clause (i)(e) of paragraph 3 of the order are not applicable to the company.
- (ii)
 - a) As explained by the Management, Company does not have any inventory for physical verification. Accordingly, paragraph 3(ii) of the Order is not applicable to the Company.
 - b) During any point of time of the year, the company has not been sanctioned any working capital limits, from banks or financial institutions on the basis of security of current assets. Therefore, the provisions of Clause (ii) (b) of paragraph 3 of the order are not applicable to the company
- (iii) The Company has made investments in, Companies and granted unsecured loans to other parties, during the year, in respect of which:
 - (a) The Company has provided loans or advances in the nature of Inter-Corporate Deposits during the year, details of which are given below:

(Amount in INR Crore)		
Particulars	Loans	Investment in Shares
A. Aggregate amount granted /provided during the year:		
- Subsidiaries	2.54	2.18
- Other than Subsidiaries	0.00	0.00
B. Balance outstanding as at balance sheet date in respect of above cases:		
- Subsidiaries	113.94	50.83
- Other than Subsidiaries	2.52	0.00

The Company has not provided any guarantee or security to any other entity during the year

In our opinion, the investments made and the terms and conditions of the grant of loans, during the year are, prima facie, not prejudicial to the Company's interest.

- (a) In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are generally regular as per stipulation.
- (b) In respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.
- (c) No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdue of existing loans given to the same parties.

- (d) The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii)(f) is not applicable.

The Company has not made investments in Firms and Limited Liability Partnerships during the year. Further the Company has not provided any guarantee or security or granted any advances in the nature of loans, secured or unsecured, to Companies, Firms, Limited Liability Partnerships or any other parties.

- (iv) In our opinion and according to the information and explanations given to us, with reference to the provisions of Section 185 and 186 of the Act, which regulates 'Intercompany Loans & Investments', the Company failed to, accrue Interest on the following for the F.Y.2025-26:

- a) Inter-Corporate Deposits/ Cinema Deposits landed to following Parties where no Interest has been accrued for the F.Y.2025-26:

Sr No	Name of the Parties	Amount (Rs.)
1	M/s Om Films Pvt. Ltd.	2,52,07,184/-

According to management, the purpose of extending the aforementioned deposit was always for business purposes. The company intended to utilize these funds to execute agreements with the involved parties, and the motive was never to accrue/earn interest on the deposits given.

Furthermore, management indicates that recovery proceedings are underway, with the company not anticipating the realization of the understandings and discussions previously held with them.

- (v) In our opinion and according to the information and explanation given to us, the Company has not accepted any deposit from public within the provision of section 73 to 76 and other relevant provisions of the Companies Act, 2013 and the rules framed there under.
- (vi) As informed to us by management, the Central Government has not prescribed the maintenance of cost records under sub section (1) of section 148 of the Companies Act, 2013 for any of services rendered by the company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.

- (vii) (a) According to information and explanations given to us and on the basis of our examination of the books of account, and records, the Company has been generally regular in depositing undisputed statutory dues except that there have been delays in depositing Goods and Services Tax, Professional Tax, Provident Fund, Show Tax, Income Tax and Employees' State Insurance with the appropriate authorities.

According to information and explanations given to us, there are no undisputed statutory dues payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Value Added Tax, GST and other material statutory dues, were in arrears as on March 31, 2026 for a period of more than 6 months from the date they became payable.

- (b) In our opinion and according to the information and explanations given to us, there are no dues payable in respect of value added tax, GST, customs duty and excise duty which have not been deposited with appropriate authorities on account of any disputes. The following dues of Service Tax & Income Tax have not been deposited by the company on account of dispute:

Name of the statute	Nature of dues	Amount (Rs.)	Period to which the amount relates	Forum where the dispute is pending
Chapter V of the Finance Act, 1994	Service Tax	8,75,000/-*	November 1996 – November 2001	Customs, Excise & Service Tax Appellate Tribunal

MUKTA ARTS LIMITED

Annexure B to the Independent Auditor's Report of even date on the Standalone Financial Statements of Mukta Arts Limited

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013

We have audited the internal financial controls over financial reporting of **Mukta Arts Limited** ("the Company") for the year ended on March 31, 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India and specified under sub-section 10 of Section 143 of the Companies Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, maintained adequate internal financial controls system over financial reporting as of March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India except for the effects/possible effects of the material weakness described above on the achievement of the

objectives of the control criteria, the Company's internal financial controls over financial reporting were operating effectively as of March 31, 2026.

We have considered the material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the financial statements of the Company for the year ended March 31, 2026, and the material weakness doesn't affect our opinion on the standalone financial statements of the Company.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

1 Corporate information

Mukta Arts Limited ('Mukta' or 'the Company') is a company incorporated in India under the Companies Act, 1956. The Company was incorporated on 7 September 1982 as Mukta Arts Private Limited and was converted to a public limited company on 15 March 2000 and renamed as Mukta Arts Limited. The Company is promoted by Mr. Subhash Ghai who holds 55.34% of the outstanding equity share capital as at 31 March 2026.

The Company is primarily engaged in the business of film production, distribution and exhibition (wherein it provides film content to multiplexes and single screen theatres across India). The Company also provides production equipment to other production houses and independent producers.

The shares of the Company are listed on Bombay Stock Exchange Limited and National Stock Exchange of India Limited.

2 Summary of significant accounting policies

2.1 Basis of preparation

(i) Compliance with Indian Accounting Standard (Ind AS)

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) Rules, 2016. The Company adopted Ind AS from April 1, 2016.

(ii) Historical Cost Convention

The financial statements have been prepared on an accrual basis and under the historical cost convention, except for certain financial assets and liabilities and defined benefit plan assets which have been measured at fair value.

2.2 Current versus non-current classification

The assets and liabilities reported in the balance sheet are classified as current or non-current. Current assets, which include cash and cash equivalents, are assets that are intended to be realised during the normal operating cycle of the Company or within 12 months of the balance sheet date; current liabilities are expected to be settled during the normal operating cycle of the Company or within 12 months of balance sheet date. The deferred tax assets and liabilities are classified as non-current assets and liabilities.

2.3 Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The chief operating decision maker of the Company assesses the financial performance and position of the Company and makes strategic decisions on the advice of the Managing Director of the Company.

2.4 Foreign Currency Transactions

The financial statements are presented in Indian rupee (INR), which is the functional and presentation currency of the Company.

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in profit or loss. In case of Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

2.5 Revenue Recognition

Ind AS 115 Revenue from Contracts with Customers, mandatory for reporting periods beginning on or after April 1, 2018, replaced the existing revenue recognition requirements. Under the modified retrospective approach there were no adjustments required to the retained earnings at April 1, 2018. The application of Ind AS 115 has been considered and transactions entered into during the current year have been recorded accordingly.

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company, revenue can be reliably measured and recoverability is reasonably certain and the goods or services have been transferred to the Customer. The amount recognised as income is exclusive of goods and services tax and net of trade discounts. Revenue from fixed rate contracts is recognised over the period as per the contractual agreement. Unbilled revenue represents costs incurred and revenues recognised on contracts to be billed in subsequent periods as per the terms of the contract.

Film/content production and related income

Revenue from sale of content/ motion pictures is recognised on assignment/sale of the rights in the concerned content/ motion picture from the date of their availability for exploitation or on the date of release of the content/ movie, as applicable.

MUKTA ARTS LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026 (CONTD.)

Revenue from other rights in motion pictures such as satellite rights, overseas rights, music rights, video rights, etc., is recognised on assignment/ sale of the rights in the concerned motion picture from the date of their availability for exploitation.

Income from distribution and exhibition

Distribution/ sub-distribution commission is recognised as it is earned based on intimation by the theatre owners/ distributors.

Revenue from equipment hire/ facility rental

Income from equipment hire/ facility rental is recognised on a straight-line basis over the period of the relevant agreement/ arrangement.

Revenue from business support service

Revenue from business support service is recognised on rendering of service as per the terms and conditions of the agreement.

Dividend & Interest income

Dividend income from investments is recognised when the shareholder's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably). Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition. Interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset. Interest income is recorded using the Effective Interest rate.

2.6 Employee benefits

Short term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. These benefits include salaries and wages, bonus, Compensated absences such as paid annual leave and sickness leave. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is charged to the Statement of profit and loss in the period in which such services are rendered.

Post-employment benefits

Defined contribution plan:

A defined contribution plan is a post-employment benefit plan under which an entity pays specified contributions to a separate entity/fund and has no obligation to pay any further amounts. The Company makes specified monthly contributions towards Provident Fund. The Company's contribution is recognised as an expense in the Statement of profit and loss during the period in which employee renders the related service.

Defined benefit plan:

The Company has calculated the gratuity liability for fifteen days per month based on the last basic salary drawn by the employee for every completed year of service or part thereof in excess of six months. The gratuity liability recognised in the Balance sheet represents the gratuity liability and as reduced by the fair value of the said assets. The scheme is funded with an insurance company in form of qualified insurance policy.

Contributions are made to LIC in respect of gratuity based upon actuarial valuation done at the end of every financial year using 'Projected Unit Credit Method'. Major drivers in actuarial assumptions, typically, are years of service and employee compensation. Gains and losses on changes in actuarial assumptions are accounted in the statement of profit and loss.

Other long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability. The Company calculates the liability based on the total leave hour balance as at the year end restricted to forty two days and the last salary drawn by the employees.

2.7 Borrowing Costs

General and specific borrowing costs that are directly attributable to the acquisition, construction of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026 (CONTD.)

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

2.8 Leases

Assets taken on operating lease

The Company has various operating leases, principally for office space, with various renewal options. Rental expense in agreements with scheduled rent increases is recorded on a straight-line basis over the lease term.

Assets given on operating lease

Lease rentals in respect of assets given on operating lease are recognised on a straight-line basis over the lease term unless another systematic basis is more representative of the time pattern of the benefit received.

2.9 Taxation

Income-tax expense comprises current tax expense and deferred tax charge or credit.

Current tax

Provision for current tax is recognised in accordance with the provisions of the Income-tax Act, 1961 and is made based on the tax liability after taking credit for tax allowances and exemptions.

Minimum Alternative Tax Credit entitlement

Minimum Alternative Tax ('MAT') credit is recognised only to the extent there is convincing evidence that the Company will pay normal income tax in excess of MAT during the specified period.

MAT credit entitlement is reviewed as at each Balance sheet date and written down to the extent there is no longer convincing evidence that the Company will pay normal income tax during the specified period.

Deferred tax

Deferred tax liability or asset is recognised for timing differences between the profits or losses offered for income taxes and profits/losses as per the financial statements. Deferred tax assets and liabilities and the corresponding deferred tax credit or charge are measured using the tax rates and tax laws that have been enacted or substantively enacted as at the Balance sheet date.

Deferred tax asset is recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets. Deferred tax assets are reviewed as at each Balance sheet date and written down or written up to reflect the amount that is reasonably/virtually certain to be realised.

2.10 Property, plant and equipment (PPE)

Items of Property, plant and equipment (PPE) are stated at cost less accumulated depreciation and impairment losses, if any. Cost includes freight, duties, taxes (other than those recoverable from tax authorities) and other expenses directly attributable to the acquisition/ construction and installation of the fixed assets for bringing the asset to its working condition for its intended use. Borrowing costs relating to acquisition of PPE which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

Cost incurred on fixed assets not ready for their intended use is disclosed under capital work-in-progress. Capital work-in-progress includes estimates of work completed, as certified by the management.

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of its property, plant and equipment recognised as at 1 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment, except for certain properties, the fair market value of which had appreciated substantially and the increase in their carrying amounts, supported by reports of independent valuers, was therefore recognised in profit and loss account and accumulated in reserves in shareholders' equity.

Depreciation methods, estimated useful lives and residual value

The Company applies depreciation rates as per the useful lives of the assets as specified in Part 'C' of Schedule II to the Companies Act 2013, except for the following class of assets where the useful life is higher than the useful life prescribed in Schedule II based on management estimates which is supported by assessment carried out by technical experts. The residual values are not more than 5% of the original cost of the asset. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

MUKTA ARTS LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026 (CONTD.)

Asset class	Useful life
Plant and equipment	10-14 years
Furniture and fixtures	5 years

Leasehold improvements/ premises are depreciated at the lower of the estimated useful lives of the assets and the lease term, on a straight-line basis.

2.11 Investment properties

Property that is held for long-term rental yields or for capital appreciation or both, is classified as investment property. Investment property is measured initially at cost, including related transaction costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the entity and the cost of the item can be measured reliably.

Investment properties are depreciated using the written down value method over their estimated useful lives. Investment properties generally have a useful life of 30 years. The useful life has been determined based on technical evaluation performed by technical experts.

Transition to Ind AS

On transition to Ind AS, the entity has elected to continue with the carrying value of all of its investment properties recognised as at 1 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of investment properties, the fair value of investment property is disclosed in notes.

2.12 Intangible assets

Film rights comprising negative rights and distribution rights

Negative film rights are generally exploited through media such as theatrical exhibition, television/ satellite, cable, etc. Negative film rights in respect of films produced are recorded at cost, which is determined on specific identification basis. Acquired negative rights are recorded at the purchase price paid to acquire the rights plus any additional cost incurred which is determined on specific identification basis. Cost incurred on films-in-progress is reported as Intangible assets under development.

Distribution rights in films are for a contractually specified mode of exploitation, period and territory and are stated at cost. Cost of distribution comprises original purchase price/ minimum guarantee, which is ascertained on specific identification basis. In case multiple films/ rights are acquired for a consolidated amount, cost is allocated to each film/ right based on the agreement or where it is not specified in the agreement, based on management's best estimates. In respect of unreleased films, payments towards distribution rights are classified under capital advances as the amounts are refundable in the event of non-release of the film.

Costs are amortised in the proportion that gross revenue realised bears to management's estimate of total gross revenue expected to be received. If estimates of the total revenue and other events or changes in circumstances indicate that the realisable value of a right is less than its unamortised cost, a loss is recognised for the excess of unamortised cost over the film rights' realisable value.

Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

2.13 Impairment of Non Financial Asset

In accordance with Ind AS 36 – intangible assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount of the assets (or where applicable, that of the cash generating unit to which the asset belongs) is estimated as the higher of its net selling price and its value in use. An impairment loss is recognised whenever the carrying amount of an asset or the cash generating unit to which it belongs exceeds its recoverable amount. Impairment loss is recognised in the Statement of profit and loss or against revaluation surplus, where applicable.

If at the Balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is re-assessed and the asset is reflected at the recoverable amount subject to a maximum of the depreciated historical cost.

Value in use is the present value of estimated future cash flows expected to arise from the continuing use of the asset and from its disposal at the end of its useful life.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026 (CONTD.)

2.14 Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

2.15 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Asset

The entity classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Initial recognition and measurement

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument. At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, and transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets that are carried at fair value through profit or loss are expensed in profit or loss.

Subsequent measurement

Subsequent measurement of financial asset depends on the Company's business model for managing the asset and the contractual cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its financial assets as below:

- amortised cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVOCI).

Financial Assets measured at amortised cost

A 'financial asset' is measured at the amortised cost if both the following conditions are met.

- a) Asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method less impairment. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. EIR amortisation is included in finance income in the Statement of Profit and Loss. Losses arising from impairment are recognised in the Statement of Profit and Loss.

Financial Assets measured at fair value through other comprehensive income (FVTOCI)

A 'financial asset' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The contractual cash flows of the assets represent SPPI: Financial assets included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognised in Other Comprehensive Income is reclassified from the equity to Statement of Profit and Loss. Interest earned whilst holding FVTOCI financial asset is reported as interest income using the EIR method.

Financial Assets measured at fair value through profit and loss (FVTPL)

A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as 'other income' in the Statement of Profit and Loss.

MUKTA ARTS LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026 (CONTD.)

Equity investments

All equity investments in scope of Ind-AS 109, "Financial Instruments" are measured at fair value. Where the company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition which is irrevocable. If the company decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the Other Comprehensive Income.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss. The Company has elected to measure its investment in subsidiaries at its previous GAAP carrying value which shall be the deemed cost as at the date of transition.

Derecognition of Financial Assets

A financial asset is primarily derecognised when: a) Rights to receive cash flows from the asset have expired, or b) The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset, where the entity retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Impairment of financial assets :

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 36 details how the Company determines whether there has been a significant increase in credit risk.

For trade receivables, only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

Trade receivables

The company evaluates the concentration of risk with respect to trade receivables as low, as its customers operate in largely independent markets and their credit worthiness is monitored at periodical intervals. The company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the days for which the receivables are due and is rated as given in the provision matrix. The provision matrix at the end of the reporting period is as follows:

Ageing	Expected Credit loss(%)
0 - 1 years	0%
1 - 2 years	25%
2 - 3 years	40%
More than 3 years	100%

Financial Liabilities

(i) Initial recognition and measurement

All financial liabilities are recognised initially at fair value, in the case of loans, borrowings and payables, net of directly attributable transaction costs. Financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative financial instruments

(ii) Subsequent measurement

The measurement of financial liabilities depends on their classification, as described herein:

Financial liabilities at fair value through Profit or Loss:

Financial liabilities at fair value through Profit or Loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026 (CONTD.)

Financial Liabilities measured at amortised cost:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of Profit and Loss.

Derecognition of Financial Liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Offsetting :

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

2.16 Measurement of fair values

The Company measures financial instruments, such as derivatives, at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

Management uses its judgement in selecting an appropriate valuation technique for financial instruments not quoted in an active market. Valuation techniques commonly used by market participants are applied. Other financial instruments are valued using a discounted cash flow method based on assumptions supported, where possible, by observable market prices or rates.

The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the management assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Further information about the assumptions made in measuring fair values is included in the following notes on financial instruments.

2.17 Provisions

Provisions are recognised when the Company has a present obligation as a result of a past event, it is probable that an outflow of funds will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Provisions are not recognised for future operating losses.

If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026 (CONTD.)

3 Contingent Liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

4 Earnings per share ('EPS')

The basic earnings per equity share is computed by dividing the net profit or loss attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding during the reporting year. The number of shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving basic earnings per share, and also the weighted average number of equity shares which may be issued on the conversion of all dilutive potential shares, unless the results would be anti-dilutive.

5 Critical estimates and judgements

The preparation of financial statements requires the use of accounting estimates which, may not equal the actual results. Management also needs to exercise judgement in applying the entity's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

Recognition and measurement of defined benefit obligations:

The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation and vested future benefits and life expectancy. The discount rate is determined by reference to market yields at the end of the reporting period on government bonds. The period to maturity of the underlying bonds correspond to the probable maturity of the post-employment benefit obligations.

Estimation of useful life:

Useful lives of PPE and intangible assets are based on the estimation by the management. The useful lives as estimated are the same as prescribed in Schedule II of the Companies Act, 2013. In such cases, where the useful lives are different from that prescribed in Schedule II, they are based on management estimates, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset and past history of replacement. Assumptions also need to be made, when the Company assesses, whether an asset may be capitalised and which components of the cost of the asset may be capitalised.

The useful lives and residual values of Company's assets are determined by the management at the time the asset is acquired and reviewed annually for appropriateness. The lives are based on historical experience with similar assets.

The above sensitivity analysis is based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating

MUKTA ARTS LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026 (CONTD.)

(₹ in '000)

the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

Expected contributions to post employment benefit plan for the year ending March 31, 2026 is Rs. 15 Lakhs (March 31, 2025 : Rs. 15 Lakhs)

(F) Defined benefit liability and employer contributions

The weighted average duration of the Benefit Obligation is 5.55 years

Particulars	Gratuity	
	31 March 2026	31 March 2025
Weighted average duration (based on discounted cashflows)		
Year 1	7,142	6,539

Year 4	2,149	354
Year 5	257	1,983
Thereafter	17,115	15,621

(iii) Other Long Term Benefit Plans:

Compensated absences : The leave obligations cover the Company's liability for earned leave. The amount of provision of Rs. 5,73,564 (March 31, 2025: Rs. 5,57,859)

Liability for Leave Obligation is provided on the basis of Valuations, as at Balance Sheet date, carried out by an independent actuary.

(G) Risk exposure

Through its defined benefit plans, the Company is exposed to a number of risks, the most significant of which are detailed below:

Asset volatility - The plan liabilities are calculated on the basis of the market yields at the valuation date on government bonds for the expected term. If plan assets underperform this yield, this will create a deficit.

Changes in bond yields - A decrease in bond yields will increase plan liabilities, although this will be partially offset by an increase in the value of the plan's assets.

(i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair value of financial instruments that are (a) recognised and measured at fair value (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three level prescribed under the accounting standard. An explanation each level follows underneath the table.

Financial instruments measured at Fair value

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices, for example listed equity instruments, traded bonds and mutual funds that have quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques that maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

There are no recurring fair value measurements for any financial instruments as at March 31, 2025 and March 31, 2026.

33 Financial risk management

The Company's activities expose it to market risk, liquidity risk and credit risk. This note explains the sources of risk which the Company is exposed to and how it manages those risks.

(A) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including cash and cash equivalents and deposits with banks.

(i) Credit risk management

(a) Trade receivable related credit risk

The Company evaluates the concentration of risk with respect to trade receivables as low. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company provides for expected credit loss on trade receivables based on expected credit loss method. Each outstanding customer receivables are regularly monitored and if outstanding is above due date the further shipments are controlled and can only be released if there is a proper justification.

(b) Others Financial Asset

Credit risk from balances with banks is managed by Company in accordance with the Company policy. The other financial assets are from various forum of Government authorities and are released by Government authorities on completion of relevant terms and conditions for the release of outstanding.

(B) Liquidity risk

The Company manages liquidity risk by continuously monitoring forecast and actual cash flows on daily, monthly and yearly basis. The Company ensures that there is a free credit limit available at the start of the year which is sufficient for repayments getting due in the ensuing year. Loan arrangements, credit limits with various banks including working capital and monitoring of operational and working capital issues are always kept in mind for better liquidity management.

(i) Financing arrangements

The Company did not had any undrawn borrowing facilities at the end of the reporting period:

(i) Maturities of financial liabilities

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate curves at the end of the reporting period. The contractual maturity is based on the earliest date on which the Company may be required to pay.

The amounts disclosed in the table are the contractual cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

(C) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of two types of risks – interest rate risk & currency risk. Financial instrument affected by market risks includes loans and borrowings, deposits and other financials assets.

The Company has designed risk management frame work to control various risks effectively to achieve the business objectives. This includes identification of risk, its assessment, control and monitoring at timely intervals.

(i) Foreign currency risk

The Indian Rupee is the Company's functional and reporting currency. The Company has limited foreign currency exposure which are mainly in cash. Foreign currency transaction exposures arising on internal and external trade flows are not material and therefore not hedged. Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate due to changes in foreign exchange rates. This is the risk that the Company may suffer losses as a result of adverse exchange rate movement during the relevant period.

The carrying amounts of the entity's foreign currency denominated monetary assets and monetary liabilities at the end of the year, which are not hedged are as follows:

Financial Assets	31 March 2026 (BHD)	31 March 2025 (BHD)
Investment in shares	390,000	330,000
Loans	735,782	755,782
Receivable	182,989	197,582

Foreign Currency Sensitivity

The following tables demonstrate the sensitivity to a reasonably possible change in BHD exchange rates, with all other variables held constant. The impact on the Company's profit before tax is due to changes in the fair value of monetary assets and liabilities including non-designated foreign currency derivatives. The Company's exposure to foreign currency changes for all other currencies is not material.

Particulars	Currency	Change in rate	Net effect on profit before tax (Incremental amount)
31 March 2026	BHD	+5%	65,439
	BHD	-5%	(65,439)
31 March 2025	BHD	+5%	64,168
	BHD	-5%	(64,168)

(ii) Interest rate risk exposure

The Company manages interest rate risk by having a balanced portfolio of fixed and variable rate of interest on loans and borrowings. To manage this, Company has issued fixed rate bonds and loans taken from banks are linked to MCLR rate of the bank, which are variable. The exposure of the Company's borrowing to interest rate changes at the end of the reporting period are as follows.

Below are borrowings excluding debt component of compound financial instruments and including current maturity of non current borrowings:

	31 March 2026	31 March 2025
Variable rate borrowings	473,120	486,441
Fixed rate borrowings	84,020	102,276
Total Borrowing	557,139	588,717

As at the end of the reporting period, the entity did not had any variable rate borrowings.

(₹ in '000)

34 Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	Currency	Increase / decrease in basis points	Effect on profit before tax
31 March 2026	INR	+50	278
	INR	-50	(278)
31 March 2025	INR	+50	285
	INR	-50	(285)

The percentage of total loans shows the proportion of loans that are currently at variable rates in relation to the total amount of borrowings.

35 Capital management

For the purpose of the Company's capital management, equity includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value. The Company's Capital Management objectives are to maintain equity including all reserves to protect economic viability and to finance any growth opportunities that may be available in future so as to maximize shareholders' value. The Company is monitoring capital using debt equity ratio as its base, which is debt to equity. The company's policy is to keep debt equity ratio below three and infuse capital if and when required through issue of new shares and/or better operational results and efficient working capital management. In order to achieve the aforesaid objectives, the Company has not sanctioned any major capex on new expansion projects in last two to three years. There is constant endeavour to reduce debt as much as feasible and practical by improving operational and working capital management.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026 (CONTD.)

(₹ in '000)

- 42 Public Interest Litigations ('PIL') had been filed alleging that the Maharashtra Film, Stage and Cultural Development Corporation Limited ('MFSCDCL') had not followed proper procedure while entering into a Joint Venture Agreement ('JVA') with the Company and in the subsequent allotment of 20 acres of land to the said joint venture, Whistling Woods International Limited ('WWI'), a subsidiary of the Company. During the year 2011-2012, pursuant to the Order of the Hon'ble High Court of Judicature at Bombay ('High Court') dated 9 February 2012, inter-alia, the JVA with MFSCDCL was quashed / rendered cancelled, WWI was ordered to return the land to MFSCDCL and pay rent (and interest on arrears) retrospectively on the entire land since the date of the JVA. Of the total land admeasuring 20 acres, 14.5 acres vacant unused land was handed over to MFSCDCL on 18 April 2012 and the balance was to be handed over on or before 31 July 2014. Pending discussion and / or agreement with MFSCDCL and / or clarifications to be sought from the concerned parties, no adjustments have been made to the Share Capital structure of WWI and the carrying value of the land rights in its books of account. However, in terms of the Order of the High Court, the said amount together with future rent till the date of vacation of the premises is adjustable against the market price of the Institute building of WWI on the said land. The valuation is to be carried out by an expert valuer to be appointed by the Government. During the year 2013-2014, the PWD Engineer has given his valuation report based on the Balance Sheet of WWI as at 31 March 2011. Further, the Company made an application to the Government of Maharashtra in February 2013 to appoint expert valuers to determine the market price. WWI's petition for special leave to file appeal with the Supreme Court of India was dismissed. However, the Company and WWI filed review petitions with the High Court. In terms of Order dated 9 February 2012 passed by the High Court, MFSCDC raised net demand of Rs. 591,966,210 and asked WWI to vacate the premises. The Company's and WWI's Review Petitions were heard by High Court and a stay was granted on 30 July 2014. The High Court ordered the Company / WWI to pay arrears of rent for the years 2000-2001 to 2013-2014 aggregating to Rs 100,038,000 by January 2015 and to pay rent of Rs 4,500,000 per annum from the financial year 2014-2015. As per the terms of the said Order, till 31 March 2026 Rs 113,538,000 has been paid by the Company and Rs 36,000,000 has been paid by WWI. The State Government of Maharashtra and MFSCDCL challenged the Order of the Bombay High Court in the Supreme Court which was dismissed by the court on 22nd September 2014 with recourse to the State Government of Maharashtra to make an application to the High Court. Pending final disposal of the review petitions and valuation of the building, and in view of the future plans for WWI which are being evaluated, management believes that the Company's investments in WWI aggregating Rs 399,511,218 and amounts due therefrom aggregating Rs 441,290,157 are good and recoverable as management is hopeful of reliefs based on the issues involved and on merits of the case, as also of a high valuation of the building. The amounts so paid/ being paid by the Company have been treated as Deposits in the standalone financial statements to be adjusted on the settlement of the case.

Independent Auditor's Report on Consolidated Financial Results

To

The Board of Directors Mukta Arts Limited

Report on the Audit of the Consolidated Annual Financial Statement

Qualified Opinion:

We have audited the accompanying consolidated annual financial results of Mukta Arts Limited (hereinafter referred to as the "Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group") and its Joint Ventures for the year ended 31 March 2026, attached herewith, being submitted by the Holding Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('Listing Regulation').

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate audited financial statements of the subsidiaries and joint venture, except the possible effects of the matters described in "Basis for Qualified Opinion" Para below, the aforesaid consolidated annual financial results:

- a) include the annual financial results of the following entities

Subsidiaries:

1. Mukta Creative Ventures Limited
 2. Whistling Woods International Limited
 3. Mukta A2 Cinemas Private Limited
 4. Mukta Tele Media Limited
 5. Connect.1 Limited
 6. Mukta A2 Multiplex WLL (incorporated in Bahrain)
 7. Mukta VN Films Limited
 8. Whistling Woods International Education Foundation (100% Subsidiary of Whistling Woods International Limited)
 9. Greenlance Saur Urja Private Limited (Associate Company of Whistling Woods International Limited)
- b) are presented in accordance with requirements of Regulation 33 of SEBI (Listing Obligation and Disclosure Requirement) Regulations, 2015 as amended; and
- c) gives a true and fair view in conformity with the aforesaid Indian Accounting Standards and other accounting principles generally accepted in India, of the consolidated net loss, total comprehensive income (loss) and other financial information of the group and its joint venture, for the year ended March 31, 2026.

Basis for Qualified Opinion:

1. As at March 31, 2026, the company's investment in its subsidiary (including deemed investment), Whistling woods International Limited (WWIL) a joint venture between the company and Maharashtra Film, Stage and Cultural Development Corporation Limited (MFSCDCL), aggregates to Rs. 19,95,11,218/- and loans and advances, deposits, interest receivable and rent receivable aggregate to Rs. 64,13,83,146/- recoverable from WWIL. As fully explained in Note 43 to the accompanying audited financial statements, the Order of February 9, 2012 passed by the High Court of judicature at Bombay ('High Court'), had quashed the joint Venture Agreement ('JVA') between the company and Maharashtra Film Stage Cultural Development Corporation ('MFSCDCL'). Maharashtra Film Stage and Cultural Development Corporation ('MFSCDC') raised net demand of Rs. 59,19,66,210/- and asked WWIL to vacate the premises. WWIL's petition for special leave to appeal filed with the Supreme Court of India had also been dismissed. The Company and WWIL had filed application to review the said order with the High Court and an Interim stay was granted on July 30, 2014 which required deposit of Rs.10,00,38,000/- by January 2015 against payment of arrears of rent for the year 2000-01 to 2013-14 and payment of Rs.45,00,000/- per annum from Financial Year 2014-15 till the settlement of the case, to MFSCDCL. As per the terms of the said Order, till financial year 2016-17, Rs. 11,35,38,000/- has been paid by the Holding Company and for financial year 2017-18 to 2021-22 Rs. 45,00,000/- per annum has been paid by WWIL. The State Govt. of Maharashtra and MFSCDCL challenged the order of the High Court in the Supreme Court which was dismissed by the Supreme Court on September 22, 2014. The amount so paid / being paid by the Company have been accounted under Non - Current Other Financial Assets in the Consolidated Financial Statements to be adjusted on the settlement of the case. Management of WWIL informs that these will be accounted as an expense, if required, on the settlement of the case.

Additionally, without giving effect to the matter as stated above, WWIL's net worth stands fully eroded as at March 31, 2026. Having regard to the circumstances explained above and pending final outcome of the matter under litigation, the Company has not made any adjustment to the carrying value of investment in and amounts due from WWIL and the deposit paid consequent to the High Court's Orders. Accordingly, the impact on the carrying value of investments, recoverability of loans and advances and consequential impact on loss for the year and reserves is not determinable.

Independent Auditors' Report (Continued)

The Ministry of Corporate Affairs (MCA) on March 30, 2019 notified Ind AS 116 "Leases" as part of Companies (Indian Accounting Standards) Amendment Rules, 2019. The new standard is effective from reporting periods beginning on or after April 1, 2019. Pending final outcome of the matter under litigation as mentioned above, no adjustment has been made in WWIL's Financial Statements with respect to Ind AS 116 on the land rights.

Emphasis of Matter

- a. During the year ended March 31, 2026, Mukta A2 Cinemas Ltd (Subsidiary) has incurred loss before tax (including other comprehensive income) of Rs 9,39,19,259/- and has accumulated losses of Rs.1,07,42,54,235/- as on March 31, 2026. Further the company's net worth has been fully eroded and there is a deficit of Rs.1,05,92,54,235/- in the shareholder's equity as on March 31, 2026. These conditions indicate the existence of a material uncertainty which may cast significant doubt about the Company's ability to continue as a going concern. However, management believes that it is appropriate to prepare financial statements on a going concern basis. In terms of operations, the Company is optimistic regarding the near-term future of the film exhibition business in India. The projected operating plans also reflect the same. The financials have therefore been prepared on the Going Concern Concept.
- b. There is an emphasis of matter with regards to the financial statements of Mukta A2 Multiplex WLL on account of deficit in the Shareholder's Equity and the company's current liability exceeding its current assets as on March 31, 2026. These conditions indicate the existence of material uncertainty which may cast a significant doubt about the Company's ability to continue as a going concern.

Our conclusion on the Statement is not modified in respect of the above matters.

Management's Responsibility for the audit of the Financial Statements:

These Consolidated annual financial results have been prepared on the basis of the Consolidated annual financial statements.

The Company's Management and the Board of Directors are responsible for the preparation and presentation of these Consolidated annual financial results that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated annual financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated annual financial results, the Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Annual Financial Results

Our objectives are to obtain reasonable assurance about whether the Consolidated annual financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated annual financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

MUKTA ARTS LIMITED

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the financial results made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated annual financial results, including the disclosures, and whether the Consolidated annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group to express an opinion on the Statement. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the statement of which we are the independent auditors. For the other entities included in the Statement, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

- (a) We did not audit the financial statements of Mukta VN Films Limited, a subsidiary, whose financial statements reflect total assets of Rs.16,87,98,535/- as at 31st March 2026, total revenues of Rs.2,10,57,937/- and net profit/ (loss) after tax of Rs. We draw attention to Note No. 8 (a) of the consolidated financial statements. Mukta VN Films Limited was accounted for as a Joint Venture until 31st March 2025. Consequent to change in control for the F.Y.2025-26, Mukta VN Films Limited became a subsidiary and It has been fully consolidated from 1st April 2025.

The financial statements of this subsidiary have been audited by other auditors. Their report has been furnished to us by the Management. Our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, is based solely on the report of the other auditors.

Our opinion on the consolidated financial statements is not modified in respect of this matter.

- (b) The Statement include the audited financial results of seven subsidiaries, whose financial statements reflect total assets of Rs.1,61,92,62,843/- as at 31 March 2026, total revenue of Rs.1,71,11,10,136/- and total net profit/ (loss) after tax of Rs. (17,37,63,697)/- for the year ended 31 March 2026 and for the period from 1 April 2025 to 31 March 2026 respectively, as considered in the Statement, which have been audited by its independent auditors. The independent auditors' report on the financial statements/results of this entity have been furnished to us and our opinion on the Statement, in so far as it relates to the amounts and disclosures included in respect of this entity, is based solely on the report of such auditors and the procedures performed by us are as stated in paragraph above.
- (c) As per Audit report received from a subsidiary Whistling Woods International Limited, the Consolidated financials of the subsidiary company also includes Group's share of net loss after tax of Rs.(6.02) lakhs for the year ended Mar 31, 2026, as considered in the Consolidated financials, in respect of an Associate Company, Greenlance Saur Urja Private Limited.
- (d) We report that the figures for the quarter ended March 31, 2026 represent the derived figures between the audited figures in respect of the financial year ended March 31, 2026 and the published unaudited year-to-date figures up to December 31, 2025 being the date of the end of the third quarter of the current financial year, which were subjected to a limited review by us.

As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Consolidated Balance Sheet, Consolidated Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;

- (d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014;
- (e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the Internal Financial Controls over Financial Reporting of the Company and the operating effectiveness of such controls, refer to our separate report in **Annexure A**, and
- (g) In our opinion, the managerial remuneration for the year ended March 31, 2026 has been paid/provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations as at March 31, 2026 on its financial position in its consolidated financial statements – Refer Note No. 39.
 - ii. The Company does not have any long-term contracts including derivative contracts for which there were any material foreseeable losses – Refer Note No. 46.
 - iii. There was no amount required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2026 – Refer Note No. 47.
 - vi a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (i) and (ii) contain any material misstatement.
 - c) Based on such audit procedures that the we have considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (a) and (b) as specified above contain any material misstatements.
 - v. The company has not declared or paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013.
 - vi. Based on our examination, which included test checks, the Company has used accounting software systems for maintaining its books of account for the financial year ended March 31, 2026 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

Independent Auditors' Report (Continued)

Annexure A to the Independent Auditor's Report of even date on the Consolidated Financial Statements of Mukta Arts Limited

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013

We have audited the internal financial controls over financial reporting of **Mukta Arts Limited** ("the Company") for the year ended on March 31, 2026 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India and specified under sub-section 10 of Section 143 of the Companies Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note

require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Independent Auditors' Report (Continued)

Qualified Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, maintained adequate internal financial controls system over financial reporting as of March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India except for the effects/possible effects of the material weakness described above on the achievement of the objectives of the control criteria, the Company's internal financial controls over financial reporting were operating effectively as of March 31, 2026.

We have considered the material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the financial statements of the Company for the year ended March 31, 2026, and the material weakness doesn't affect our opinion on the consolidated financial statements of the Company.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026

1 Corporate information

Mukta Arts Limited ('Mukta' or 'the Company') is a company incorporated in India under the Companies Act, 1956. The Company was incorporated on 7 September 1982 as Mukta Arts Private Limited and was converted to a public limited company on 30 September 2000 and renamed as Mukta Arts Limited. The Company is promoted by Mr. Subhash Ghai who holds 55.34% of the outstanding equity share capital as at 31 March 2026.

The Company is primarily engaged in the business of film production, distribution and film exhibition (wherein it provides film content to multiplexes and single screens across India and also manages/ runs theatres). The Company also provides production facilities to other production houses and independent producers. The Company has six subsidiaries, Whistling Woods International Limited (which is an education institute which imparts training in various skills related to films, television and media industry), Mukta Creative Ventures Ltd (which is a wireless solutions company with a focus on wireless content), Connect1 Limited (which is involved in marketing of film content), Mukta Tele Media Limited (which is involved in production of television serials) and one Joint venture, Mukta V N Films Limited (which is involved in the business of distribution and exhibition of films), Mukta A2 Cinemas Pvt Limited (which is involved in business of exhibition of films) and Mukta A2 Multiplex WLL (which is involved in business of exhibition of films).

The shares of the Company are listed on Bombay Stock Exchange Limited and National Stock Exchange of India Limited.

2 Summary of significant accounting policies

2.1 Basis of preparation

The consolidated financial statements relate to Mukta Arts Limited ('the Company/ Parent Company') and its subsidiary companies. The Company along with its subsidiaries constitute 'the Group'.

The audited financial statements of the subsidiaries used for the purpose of consolidation are drawn upto the same reporting period as that of the parent Company, i.e. 31 March 2026. These financial statements are audited by the auditors of the respective entities.

The consolidated financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting in accordance with the accounting principles generally accepted in India ('Indian GAAP') and comply with the Accounting Standards ('AS') prescribed in the Companies (Accounting Standards) Rules, 2006 which continue to apply under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014 and other relevant provisions of the Act, to the extent notified and applicable and guidelines issued by the Securities and Exchange Board of India ('SEBI'). The consolidated financial statements are presented in Indian Rupees, except where mentioned otherwise. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of the services and their realisation in cash and cash equivalents, the Group has ascertained its operating cycle as twelve months for the purpose of current or non-current classification of assets and liabilities.

(i) Compliance with Indian Accounting Standard (Ind AS)

The financial statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) Rules, 2016. The group adopted Ind AS from April 1, 2016.

(ii) Historical Cost Convention

The financial statements have been prepared on an accrual basis and under the historical cost convention, except for certain financial assets and liabilities and defined benefit plan assets which have been measured at fair value.

2.2 Current versus non-current classification

The assets and liabilities reported in the balance sheet are classified as current or non-current. Current assets, which include cash and cash equivalents, are assets that are intended to be realised during the normal operating cycle of the Group or within 12 months of the balance sheet date; current liabilities are expected to be settled during the normal operating cycle of the Group or within 12 months of balance sheet date. The deferred tax assets and liabilities are classified as non-current assets and liabilities.

2.3 Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The chief operating decision maker of the Group assesses the financial performance and position of the Group and makes strategic decisions on the advice of the Managing Director of the Group.

MUKTA ARTS LIMITED

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026 (CONTD.)

2.4 Foreign Currency Transactions

The financial statements are presented in Indian rupee (INR), which is the functional and presentation currency of the Group.

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in profit or loss. In case of Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

2.5 Revenue Recognition

Ind AS 115 Revenue from Contracts with Customers, mandatory for reporting periods beginning on or after April 1, 2018, replaced the existing revenue recognition requirements. Under the modified retrospective approach there were no adjustments required to the retained earnings at April 1, 2018. The application of Ind AS 115 has been considered and transactions entered into during the current year have been recorded accordingly.

Film/content production and related income

Revenue from sale of content/ motion pictures is recognised on assignment/sale of the rights in the concerned content/ motion picture from the date of their availability for exploitation or on the date of release of the content/ movie, as applicable.

Revenue from other rights in motion pictures such as satellite rights, overseas rights, music rights, video rights, etc., is recognised on assignment/ sale of the rights in the concerned motion picture from the date of their availability for exploitation.

Income from distribution and exhibition

Distribution/ sub-distribution commission is recognised as it is earned based on intimation by the theatre owners/ distributors.

Revenue from management of theatres is recognised on an accrual basis as per the contractual arrangement entered into with the theatre owners.

Theatrical exhibition and related income

Sale of tickets

Revenue from theatrical exhibition is recognised on the date of the exhibition of the films and comprises proceeds from sale of tickets, net of entertainment tax. As the Group is the primary obligor with respect to exhibition activities, the share of distributors in these proceeds is separately disclosed as distributors' share.

Sale of food and beverages

Revenue from sale of food and beverages is recognised upon sale and delivery at the counter.

Advertisement/ sponsorship revenue

Revenue from advertisements, sponsorship and events is recognised on the date of the exhibition of the advertisement/ event, over the period of the contract or on completion of the Group's obligations, as applicable.

Revenue from equipment hire/ facility rental

Income from equipment hire/ facility rental is recognised on a straight-line basis over the period of the relevant agreement/ arrangement.

Revenue from business support service

Revenue from business support service is recognised on rendering of service as per the terms and conditions of the agreement.

Consultancy fees/ tuition fees income/ infrastructure fees/ facilitation charges

- (a) Revenue from Non-refundable acceptance fees is recognised equally over the period of services rendered (i.e. course duration).
- (b) Revenue from tuition fees and infrastructure fees are recognised equally over the period of services rendered (i.e. course duration).
- (c) Revenue from institutional affiliation is recognised over the period of the course as per the contractual agreement.
- (d) Revenue from Business Support Services is recognised over the period as per the contractual agreement.
- (e) Revenue from sale of prospectus and application forms is recognised on delivery to the student.
- (f) Royalty fees from content usage is recognised as per the terms of the agreement.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026 (CONTD.)

- (g) Revenue from hire of premises and equipment is recognised over the period of hire.

The student pays the fees based on a payment schedule. If the services rendered by the Company exceeds the payment, balance is disclosed as Contract Assets. If the payments exceed the services rendered, balance is disclosed as Deferred Revenue/ Advance fees received from students under Contract Liabilities.

Estimates of revenues, costs or extent of progress toward completion are revised if circumstances change. Any resulting increases or decreases in estimated revenues or costs are reflected in profit or loss in the period in which the circumstances that give rise to the revision become known by management.

The Company does not expect to have any contracts where the period between the transfer of the promised services to the customer/ student and payment by the customer/ student exceeds one year. As a consequence, the Company does not adjust any of the transaction prices for the time value of money

Dividend & Interest income

Dividend income from investments is recognised when the shareholder's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably). Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition. Interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset. Interest income is recorded using the Effective Interest rate.

2.6 Employee benefits

Short term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. These benefits include salaries and wages, bonus, Compensated absences such as paid annual leave and seekness leave. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is charged to the Statement of profit and loss in the period in which such services are rendered.

Post-employment benefits

Defined contribution plan:

A defined contribution plan is a post-employment benefit plan under which an entity pays specified contributions to a separate entity/fund and has no obligation to pay any further amounts. The Group makes specified monthly contributions towards Provident Fund. The Group's contribution is recognised as an expense in the Statement of profit and loss during the period in which employee renders the related service.

Defined benefit plan:

The Group has calculated the gratuity liability for fifteen days per month based on the last basic salary drawn by the employee for every completed year of service or part thereof in excess of six months. The gratuity liability recognised in the Balance sheet represents the gratuity liability and as reduced by the fair value of the said assets. The scheme is funded with an insurance Group in form of qualify insurance policy.

Contributions are made to LIC in respect of gratuity based upon actuarial valuation done at the end of every financial year using 'Projected Unit Credit Method'. Major drivers in actuarial assumptions, typically, are years of service and employee compensation. Gains and losses on changes in actuarial assumptions are accounted in the statement of profit and loss.

Other long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability. The Group calculates the liability based on the total leave hour balance as at the year end restricted to forty two days and the last salary drawn by the employees.

2.7 Borrowing Costs

General and specific borrowing costs that are directly attributable to the acquisition, construction of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026 (CONTD.)

2.8 Leases

Assets taken on operating lease

The Group has various operating leases, principally for office space, with various renewal options. Rental expense in agreements with scheduled rent increases is recorded on a straight-line basis over the lease term.

In case of certain cinema properties, rent is accounted as a certain percentage of revenue generated from the cinema property or fixed minimum guarantee amount, whichever is higher, as provided for in the lease agreements.

Assets given on operating lease

Lease rentals in respect of assets given on operating lease are recognised on a straight-line basis over the lease term unless another systematic basis is more representative of the time pattern of the benefit received.

2.9 Taxation

Income-tax expense comprises current tax expense and deferred tax charge or credit.

Current tax

Provision for current tax is recognised in accordance with the provisions of the Income-tax Act, 1961 and is made based on the tax liability after taking credit for tax allowances and exemptions.

Minimum Alternative Tax Credit entitlement

Minimum Alternative Tax ('MAT') credit is recognised only to the extent there is convincing evidence that the Group will pay normal income tax in excess of MAT during the specified period.

MAT credit entitlement is reviewed as at each Balance sheet date and written down to the extent there is no longer convincing evidence that the Group will pay normal income tax during the specified period.

Deferred tax

Deferred tax liability or asset is recognised for timing differences between the profits or losses offered for income taxes and profits/losses as per the financial statements. Deferred tax assets and liabilities and the corresponding deferred tax credit or charge are measured using the tax rates and tax laws that have been enacted or substantively enacted as at the Balance sheet date.

Deferred tax asset is recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets. Deferred tax assets are reviewed as at each Balance sheet date and written down or written up to reflect the amount that is reasonably/virtually certain to be realised.

2.10 Property, plant and equipment (PPE)

Items of Property, plant and equipment (PPE) are stated at cost less accumulated depreciation and impairment losses, if any. Cost includes freight, duties, taxes (other than those recoverable from tax authorities) and other expenses directly attributable to the acquisition/ construction and installation of the fixed assets for bringing the asset to its working condition for its intended use. Borrowing costs relating to acquisition of PPE which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

Cost incurred on fixed assets not ready for their intended use is disclosed under capital work-in-progress. Capital work-in-progress includes estimates of work completed, as certified by the management.

Transition to Ind AS

On transition to Ind AS, the Group has elected to continue with the carrying value of its property, plant and equipment recognised as at 1 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment, except for certain properties, the fair market value of which had appreciated substantially and the increase in their carrying amounts, supported by reports of independent valuers, was therefore recognised in profit and loss account and accumulated in reserves in shareholders' equity.

Depreciation methods, estimated useful lives and residual value

The Group applies depreciation rates as per the useful lives of the assets as specified in Part 'C' of Schedule II to the Companies Act 2013, except for the following class of assets where the useful life is higher than the useful life prescribed in Schedule II based on management estimates which is supported by assessment carried out by technical experts. The residual values are not more than 5% of the original cost of the asset. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Asset class	Useful life
Plant and equipment	10-14 years
Furniture and fixtures	5 years

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026 (CONTD.)

Cinematography equipment	10 years
Computers and IT equipment	6 years

Leasehold improvements/ premises are depreciated at the lower of the estimated useful lives of the assets and the lease term, on a straight-line basis.

2.11 Investment properties

Property that is held for long-term rental yields or for capital appreciation or both, is classified as investment property. Investment property is measured initially at cost, including related transaction costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the entity and the cost of the item can be measured reliably.

Investment properties are depreciated using the written down value method over their estimated useful lives. Investment properties generally have a useful life of 30 years. The useful life has been determined based on technical evaluation performed by technical experts.

Transition to Ind AS

On transition to Ind AS, the entity has elected to continue with the carrying value of all of its investment properties recognised as at 1 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of investment properties, the fair value of investment property is disclosed in notes.

2.12 Intangible assets

Film rights comprising negative rights and distribution rights

Negative film rights are generally exploited through media such as theatrical exhibition, television/ satellite, cable, etc. Negative film rights in respect of films produced are recorded at cost, which is determined on specific identification basis. Acquired negative rights are recorded at the purchase price paid to acquire the rights plus any additional cost incurred which is determined on specific identification basis. Cost incurred on films-in-progress is reported as Intangible assets under development.

Distribution rights in films are for a contractually specified mode of exploitation, period and territory and are stated at cost. Cost of distribution comprises original purchase price/ minimum guarantee, which is ascertained on specific identification basis. In case multiple films/ rights are acquired for a consolidated amount, cost is allocated to each film/ right based on the agreement or where it is not specified in the agreement, based on management's best estimates. In respect of unreleased films, payments towards distribution rights are classified under capital advances as the amounts are refundable in the event of non-release of the film.

Costs are amortised in the proportion that gross revenue realised bears to management's estimate of total gross revenue expected to be received. If estimates of the total revenue and other events or changes in circumstances indicate that the realisable value of a right is less than its unamortised cost, a loss is recognised for the excess of unamortised cost over the film rights' realisable value.

Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

2.13 Impairment of Non Financial Asset

In accordance with Ind AS 36 – intangible assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount of the assets (or where applicable, that of the cash generating unit to which the asset belongs) is estimated as the higher of its net selling price and its value in use. An impairment loss is recognised whenever the carrying amount of an asset or the cash generating unit to which it belongs exceeds its recoverable amount. Impairment loss is recognised in the Statement of profit and loss or against revaluation surplus, where applicable.

If at the Balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is re-assessed and the asset is reflected at the recoverable amount subject to a maximum of the depreciated historical cost.

Value in use is the present value of estimated future cash flows expected to arise from the continuing use of the asset and from its disposal at the end of its useful life.

2.14 Inventory

Inventories of food and beverages are valued at the lower of cost and net realisable value. Cost of inventories comprises all cost of purchases, cost of conversion and other cost incurred in bringing the inventories to their present location and condition. Cost is determined on First-In, First-Out ('FIFO') basis.

2.15 Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

2.16 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Asset

The entity classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Initial recognition and measurement

Financial assets are recognised when the Group becomes a party to the contractual provisions of the instrument. At initial recognition, the Group measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, and transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets that are carried at fair value through profit or loss are expensed in profit or loss.

Subsequent measurement

Subsequent measurement of financial asset depends on the Group's business model for managing the asset and the contractual cash flow characteristics of the asset. There are three measurement categories into which the Group classifies its financial assets as below:

- amortised cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVOCI).

Financial Assets measured at amortised cost

A 'financial asset' is measured at the amortised cost if both the following conditions are met.

- a) Asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method less impairment. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. EIR amortisation is included in finance income in the Statement of Profit and Loss. Losses arising from impairment are recognised in the Statement of Profit and Loss.

Financial Assets measured at fair value through other comprehensive income (FVTOCI)

A 'financial asset' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The contractual cash flows of the assets represent SPPI: Financial assets included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Group recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognised in Other Comprehensive Income is reclassified from the equity to Statement of Profit and Loss. Interest earned whilst holding FVTOCI financial asset is reported as interest income using the EIR method.

Financial Assets measured at fair value through profit and loss (FVTPL)

A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as 'other income' in the Statement of Profit and Loss.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026 (CONTD.)

Equity investments

All equity investments in scope of Ind-AS 109, "Financial Instruments" are measured at fair value. Where the Group's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. The Group makes such election on an instrument-by-instrument basis. The classification is made on initial recognition which is irrevocable. If the Group decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the Other Comprehensive Income.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss. The Group has elected to measure its investment in subsidiaries at its previous GAAP carrying value which shall be the deemed cost as at the date of transition.

Derecognition of Financial Assets

A financial asset is primarily derecognised when: a) Rights to receive cash flows from the asset have expired, or b) The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either (a) the Group has transferred substantially all the risks and rewards of the asset, or (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset, where the entity retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Impairment of financial assets :

The Group assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 36 details how the Group determines whether there has been a significant increase in credit risk.

For trade receivables, only, the Group applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

Trade receivables

The Group evaluates the concentration of risk with respect to trade receivables as low, as its customers operate in largely independent markets and their credit worthiness is monitored at periodical intervals. The Group has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the days for which the receivables are due and is rated as given in the provision matrix. The provision matrix at the end of the reporting period is as follows:

Ageing	Expected Credit loss(%)
0 - 1 years	0%
1 - 2 years	25%
2 - 3 years	40%
More than 3 years	100%

Financial Liabilities

(i) Initial recognition and measurement

All financial liabilities are recognised initially at fair value, in the case of loans, borrowings and payables, net of directly attributable transaction costs. Financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative financial instruments

(ii) Subsequent measurement

The measurement of financial liabilities depends on their classification, as described herein:

Financial liabilities at fair value through Profit or Loss:

Financial liabilities at fair value through Profit or Loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Group that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Financial Liabilities measured at amortised cost:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026 (CONTD.)

EIR method. Gains and losses are recognised in Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of Profit and Loss.

Derecognition of Financial Liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Offsetting :

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Group currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

2.17 Measurement of fair values

The Group measures financial instruments, such as derivatives, at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

Management uses its judgement in selecting an appropriate valuation technique for financial instruments not quoted in an active market. Valuation techniques commonly used by market participants are applied. Other financial instruments are valued using a discounted cash flow method based on assumptions supported, where possible, by observable market prices or rates.

The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the management assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of an asset or a liability, the Group uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Group recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Further information about the assumptions made in measuring fair values is included in the following notes on financial instruments.

2.18 Provisions

Provisions are recognised when the Group has a present obligation as a result of a past event, it is probable that an outflow of funds will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Provisions are not recognised for future operating losses.

If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026 (CONTD.)

3 **Contingent Liabilities**

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

4 **Earnings per share ('EPS')**

The basic earnings per equity share is computed by dividing the net profit or loss attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding during the reporting year. The number of shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving basic earnings per share, and also the weighted average number of equity shares which may be issued on the conversion of all dilutive potential shares, unless the results would be anti-dilutive.

5 **Critical estimates and judgements**

The preparation of financial statements requires the use of accounting estimates which, may not equal the actual results. Management also needs to exercise judgement in applying the entity's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

Recognition and measurement of defined benefit obligations:

The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation and vested future benefits and life expectancy. The discount rate is determined by reference to market yields at the end of the reporting period on government bonds. The period to maturity of the underlying bonds correspond to the probable maturity of the post-employment benefit obligations.

Estimation of useful life:

Useful lives of PPE and intangible assets are based on the estimation by the management. The useful lives as estimated are the same as prescribed in Schedule II of the Companies Act, 2013. In such cases, where the useful lives are different from that prescribed in Schedule II, they are based on management estimates, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset and past history of replacement. Assumptions also need to be made, when the Group assesses, whether an asset may be capitalised and which components of the cost of the asset may be capitalised.

The useful lives and residual values of Group's assets are determined by the management at the time the asset is acquired and reviewed annually for appropriateness. The lives are based on historical experience with similar assets.

(i) Defined Contribution Plan

The Company's contributions to Defined Contribution Plans namely Employees Provident Fund and Employee's State Insurance Fund (under the provisions of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952), which are Defined Contribution Plans, are charged to Statement of Profit and Loss on accrual basis. The obligation of the Company is limited to the amount contributed and it has no further contractual nor any constructive obligation.

Amount of Rs. 14,319,415 (Previous year : Rs. 14,809,247) is recognised as expense and included in the above Note 27

(ii) Post Employment Obligations:

Gratuity : The Company provides for gratuity for employees as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. The gratuity plan is a funded plan and it is recognised by the Income-tax authorities and administered through LIC. Liability for Gratuity is provided on the basis of Valuations, as at Balance Sheet date, carried out by an independent actuary.

The assumptions used for the actuarial valuation are as under:

	Gratuity	
	31-Mar-26	31-Mar-25

(E) Sensitivity analysis

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

	Gratuity	
	Decrease	Increase
Defined benefit obligation (base)		
As on March 31, 2026		
Discount Rate (- / + 0.5%)	2,140	2,209
(% change compared to base due to sensitivity)	3.10%	3.20%
Salary Growth Rate (- / + 0.5%)	(1,395)	(1,533)
(% change compared to base due to sensitivity)	-2.02%	-2.22%

	Gratuity	
	Decrease	Increase
Defined benefit obligation (base)		
As on March 31, 2025		
Discount Rate (- / + 0.5%)	1,882	1,709
(% change compared to base due to sensitivity)	3.05%	3.15%
Salary Growth Rate (- / + 0.5%)	(1,259)	(1,232)
(% change compared to base due to sensitivity)	-2.04%	-2.27%

The above sensitivity analyses is based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

Compensated absences : The leave obligations cover the Company's liability for earned leave. The amount of provision of Rs. 15,905,737/- (March 31, 2025: Rs. 10,430,584/-)

Liability for Leave Obligation is provided on the basis of Valuations, as at Balance Sheet date, carried out by an independent actuary.

(G) Risk exposure

Through its defined benefit plans, the Company is exposed to a number of risks, the most significant of which are detailed below:

Asset volatility - The plan liabilities are calculated on the basis of the market yields at the valuation date on government bonds for the expected term. If plan assets underperform this yield, this will create a deficit.

Changes in bond yields - A decrease in bond yields will increase plan liabilities, although this will be partially offset by an increase in the value of the plan's assets.

(i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair value of financial instruments that are (a) recognised and measured at fair value (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the group has classified its financial instruments into the three level prescribed under the accounting standard. An explanation each level follows underneath the table.

Financial instruments measured at Fair value

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices, for example listed equity instruments, traded bonds and mutual funds that have quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques that maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

There are no recurring fair value measurements for any financial instruments as at March 31, 2026 and March 31, 2025.

34 Financial risk management

The group's activities expose it to market risk, liquidity risk and credit risk. This note explains the sources of risk which the group is exposed to and how it manages those risks.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2026 (CONTD.)

(₹ in '000)

(A) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument leading to a financial loss. The group is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including cash and cash equivalents and deposits with banks.

(i) Credit risk management

(a) Trade receivable related credit risk

The group evaluates the concentration of risk with respect to trade receivables as low. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The group provides for expected credit loss on trade receivables based on expected credit loss method. Each outstanding customer receivables are regularly monitored and if outstanding is above due date the further shipments are controlled and can only be released if there is a proper justification.

Reconciliation of loss allowance provision

	Amount
Loss allowance on April 1, 2025	38,680
Provision for allowances & Written-off	539
Loss allowance on March 31, 2026	39,219

(b) Others Financial Asset

Credit risk from balances with banks is managed by group in accordance with the group policy. The other financial assets are from various forum of Government authorities and are released by Government authorities on completion of relevant terms and conditions for the release of outstanding.

(B) Liquidity risk

The group manages liquidity risk by continuously monitoring forecast and actual cash flows on daily, monthly and yearly basis. The group ensures that there is a free credit limit available at the start of the year which is sufficient for repayments getting due in the ensuing year. Loan arrangements, credit limits with various banks including working capital and monitoring of operational and working capital issues are always kept in mind for better liquidity management

(i) Maturities of financial liabilities

The following tables detail the group's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the group can be required to pay. To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate curves at the end of the reporting period. The contractual maturity is based on the earliest date on which the group may be required to pay.

The amounts disclosed in the table are the undiscounted contractual cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

(C) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of two types of risks – interest rate risk & currency risk. Financial instrument affected by market risks includes loans and borrowings, deposits and other financials assets.

The group has designed risk management frame work to control various risks effectively to achieve the business objectives. This includes identification of risk, its assessment, control and monitoring at timely intervals.

(i) Foreign currency risk

The Indian Rupee is the group's functional and reporting currency. The group has limited foreign currency exposure which are mainly in cash. Foreign currency transaction exposures arising on internal and external trade flows are not material and therefore not hedged. Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate due to changes in foreign exchange rates. This is the risk that the group may suffer losses as a result of adverse exchange rate movement during the relevant period.

(ii) Interest rate risk exposure

The group manages interest rate risk by having a balanced portfolio of fixed and variable rate of interest on loans and borrowings. To manage this, group has issued fixed rate bonds and loans taken from banks are linked to MCLR rate of the bank, which are variable. The exposure of the group's borrowing to interest rate changes at the end of the reporting period are as follows.

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the group's profit before tax is affected through the impact on floating rate borrowings, as follows:

(₹ in '000)

- 43** Public Interest Litigations ('PIL') had been filed alleging that the Maharashtra Film, Stage and Cultural Development Corporation Limited ('MFSCDCL') had not followed proper procedure while entering into a Joint Venture Agreement ('JVA') with the Company and in the subsequent allotment of 20 acres of land to the said joint venture, Whistling Woods International Limited ('WWI'), a subsidiary of the Company. During the year 2011-2012, pursuant to the Order of the Hon'ble High Court of Judicature at Bombay ('High Court') dated 9 February 2012, inter-alia, the JVA with MFSCDCL was quashed / rendered cancelled, WWI was ordered to return the land to MFSCDCL and pay rent (and interest on arrears) retrospectively on the entire land since the date of the JVA. Of the total land admeasuring 20 acres, 14.5 acres vacant unused land was handed over to MFSCDCL on 18 April 2012 and the balance was to be handed over on or before 31 July 2014. Pending discussion and / or agreement with MFSCDCL and / or clarifications to be sought from the concerned parties, no adjustments have been made to the Share Capital structure of WWI and the carrying value of the land rights in its books of account. However, in terms of the Order of the High Court, the said amount together with future rent till the date of vacation of the premises is adjustable against the market price of the Institute building of WWI on the said land. The valuation is to be carried out by an expert valuer to be appointed by the Government. During the year 2013-2014, the PWD Engineer has given his valuation report based on the Balance Sheet of WWI as at 31 March 2011. Further, the Company made an application to the Government of Maharashtra in February 2013 to appoint expert valuers to determine the market price. WWI's petition for special leave to file appeal with the Supreme Court of India was dismissed. However, the Company and WWI filed review petitions with the High Court. In terms of Order dated 9 February 2012 passed by the High Court, MFSCDC raised net demand of Rs. 591,966,210 and asked WWI to vacate the premises. The Company's and WWI's Review Petitions were heard by High Court and a stay was granted on 30 July 2014. The High Court ordered the Company / WWI to pay arrears of rent for the years 2000-2001 to 2013-2014 aggregating to Rs 100,038,000 by January 2015 and to pay rent of Rs 4,500,000 per annum from the financial year 2014-2015. As per the terms of the said Order, till 31 March 2026 Rs 113,538,000 has been paid by the Company and Rs 36,000,000 has been paid by WWI. The State Government of Maharashtra and MFSCDCL challenged the Order of the Bombay High Court in the Supreme Court which was dismissed by the court on 22nd September 2014 with recourse to the State Government of Maharashtra to make an application to the High Court. Pending final disposal of the review petitions and valuation of the building, and in view of the future plans for WWI which are being evaluated, management believes that the Company's investments in WWI aggregating Rs 399,511,218 and amounts due therefrom aggregating Rs 441,290,157 are good and recoverable as management is hopeful of reliefs based on the issues involved and on merits of the case, as also of a high valuation of the building. The amounts so paid/ being paid by the Company have been treated as Deposits in the standalone financial statements to be adjusted on the settlement of the case.
